ACTION VOIDED Clerk Ptak had asked for guidance from council on how they would like to move forward with a policy regarding water leak forgiveness. To have a policy in place could be beneficial to the city office, they could give citizens guidance as to what to expect when a leak has been detected through their billing. A few examples were, should there be a minimum before allowing forgiveness, a time frame to have the leak fixed, making sure the leak is fixed and checked out with public works before allowing the forgiveness?

DELIBERATED It was discussed with council and Elliott had found some information from another city and asked clerk to present to the council at the next regular meeting.

14. SHORT-TERM RECREATIONAL VEHICLE USE ORDINANCE UPDATE **DELIBERATE**

ACTION VOIDED Councilmember Elliott had read through this and had many questions for the council and city officials, i.e.: has planning and zoning done their part in the zoning regulations? Whose properties would be affected. Attorney Callahan explained the planning and zoning still needs to work on and define what regulations RV and Trailer parks would need to meet and what that would mean for existing parks. There were divided feelings on how to pursue this as an action item last year and it was decided to wait until there was a full council before taking any action. The city currently has other ordinances in place that might be able to address the health and safety issue that originally brought this ordinance in front of the council. This item is only up for discussion and updates at this time and will be considered as an action item later.

DELIBERATED It was discussed and council would like to have on next agenda.

Second, regarding the proposed zoning of land upon annexation of a parcel of property located at 6 Proffer Lane, Idaho City. Thirdly, is regarding a zoning map correction for a vacant parcel of property in the Mores Creek Subdivision that was original platted and approved to be commercial property, but it is shown on the current zoning map as residential. I. THE ORGANIZATION FOR WHICH YOU WORK

The City is a political subdivision of the state of Idaho, though it is not a part of state government. The City Council serves as the governing body of the City, carrying out local legislative duties and fulfilling other obligations as required by law. The City Council is the general policymaker for the City and has primary authority to establish terms and conditions of employment with the City. The Mayor may appoint personnel to help carry out administrative responsibilities. As with all elected public officials, the Mayor and City Council are ultimately responsible to the voters of the City

Each employee should recognize that although he/she may serve as an employee supervised by the Mayor or department head, he/she remains an employee of the City, and not of the official who supervises his/her work. The terms and conditions set forth in this Policy, and in the resolutions and policy statements that support it, cannot be superseded by any other official, without the express written authorization of the City Council. That is particularly true for terms or conditions that would establish a current or future financial obligation for the City. You may, however, work for a department with an operational policy that provides additional direction to employees on expectations and procedures unique to that department.

II. YOUR EMPLOYMENT RELATIONSHIP WITH THE CITY

This Policy is designed to introduce you to the City, familiarize you with various policies, practices and procedures currently in effect at the City, and help answer many of the questions that may arise in connection with your employment.

This Policy is not a contract of employment and does not create a contract of employment. This Policy does not create a contract, express or implied, guaranteeing you any specific term of employment, nor does it obligate you to continue your employment for a specific period of time. Its purpose is simply to provide you with a convenient explanation of present policies and practices of the City.

All employees of the City are at-will and are employed at the discretion of the Mayor and/or the head of the department in which the employee works. Only a signed written contract authorized by the City Council can alter the at-will nature of employment regardless of anything written or spoken by the Mayor or supervisor. Employees have no right to continued employment or employment benefits, except as may be agreed to in writing and expressly approved by the City Council. All provisions of this Policy will be interpreted in a manner consistent with this paragraph. In the event of any irreconcilable inconsistencies, the terms of this paragraph will prevail.

The City reserves the right to modify any of the policies, benefit offerings, and procedures, including those covered in this Policy, at any time, without prior notice to, and consent of, city employees. Changes may be made in the sole discretion of the City Council.

III. EMPLOYEE CODE OF CONDUCT

Employees are expected to conduct themselves in a professional manner that is both civil and cooperative. City employees are public employees and therefore are exposed to additional public scrutiny in both their public and personal conduct. This Code of Conduct has been established to aid employees in understanding both expected and prohibited conduct. Violations of the Code of Conduct will be grounds for disciplinary action up to and including termination of employment. This list is illustrative and not all inclusive. Other behaviors and acts of misconduct not specifically detailed here may be grounds for disciplinary action as well. Nothing contained herein is intended to change the at-will nature of employment or limit the reasons for which an employee may be disciplined.

A. EXPECTED CONDUCT

Each employee is expected to conduct himself/herself in a professional manner. In order to accomplish this, each employee must:

1. Be respectful, courteous and professional. Work cooperatively and constructively with fellow workers and members of the public.
2. Be prompt and regular in attendance at work for defined work schedules or other required employer functions, and follow procedures for exceptions to the normal schedules, including the scheduling and taking of vacation and sick leave.
3. Comply with dress standards established in the department for which the employee works. In the absence of any departmental dress standards, clothing will be appropriate for the functions performed and will present a suitable appearance to the public.
4. Abide by all departmental rules and direction of a supervisor whether written or oral. No employee will be required to follow the directive of a supervisor that violates the laws of the local jurisdiction, state or nation.
5. Maintain the confidential nature of records that are not open to the public in accordance with the direction of the responsible official.
6. Maintain a current appropriate driver's license when work for the City requires the employee to drive a vehicle as part of his/her responsibilities. Each such employee must report any state-imposed driving restrictions to his/her immediate supervisor and notify his/her supervisor if his/her driving abilities are impaired.
7. Follow all workplace safety rules whether established formally by the department or by outside agencies.
8. Report all accidents that occur or are observed on the job, or that involve City property, and cooperate as requested in the reconstruction of any such accident.

9. Avoid conflicts of interests in appointments and working relationships with other employees, contractors and potential contractors in the City and related agencies.
10. Adhere to any code of ethics in the employee's profession.

B. Prohibited Conduct

Employees are expected to refrain from behaviors that reflect adversely upon the City, including:

1. Not initiate or participate, or encourage others, in acts or threats of violence, bullying, malicious gossip, spreading of rumors, or any other behavior designed to create discord and lack of harmony, or that willfully interferes with another employee's ability to do his/her job.
2. Not engage in abusive conduct or language, including profanity and loud, threatening or harassing speech, toward or in the presence of fellow employees or the public.
3. Not engage in conduct at or away from work that may reflect adversely upon the City or its officials or otherwise impair the employee's ability to perform.
4. Not engage in prolonged visiting with co-workers, children, friends or family members that interfere with work in the department in which the employee serves.
5. Not use work time for personal business, including the selling of goods or services to the general public.
6. Not use phones or computers in the workplace in a manner that violates policy or that disrupts workplace productivity, including time spent on social media.
7. Not use work time or public premises to promote religious beliefs to members of the public or fellow employees.
8. Not have non-City employment, or serve on any board or commission, that conflicts with duties performed for the City in any meaningful way. Individual offices/departments may determine permissible examples of outside employment.
9. Not knowingly make any false report or complaint regarding behavior of others or participate in such report or complaint.
10. Not release any public record, including personnel records, without the express authority of the public official responsible for custody of the record
11. Not use any substances, lawful or unlawful, that will impair the employee's ability to competently perform his/her work or threaten the safety and well-being of other workers or the public. If the employee is prescribed a medication that may impair the employee's ability to safely do his/her job, the employee is required to provide a physician's note explaining the possible effects of the medication on the employee's ability to do his/her job and the length of the time that the employee will be required to take the medication. The employee may be required to take leave while taking the medication.

12. Not destroy, alter, falsify or steal the whole or any part of a police report or any record kept as part of the official governmental records of the City (I.C. §§ 18-3201 and 18-3202).
13. Not engage in political activities while on duty. This rule does not apply to Elected Officials.
14. Not provide false or misleading information on employment applications, job performance reports or any other related personnel documents or papers.
15. Not engage in conduct that violates the laws of the state of Idaho, including but not limited to I.C. §18-1356 (accepting gifts that exceed a value of \$50), I.C. §74-401 *et seq.* (Ethics in Government Act), I.C. §74-501 *et seq.* (Prohibitions Against Contracts) and I.C. §18-1359 (Using Public Position for Personal Gain).
16. Not accept gifts or gratuities in any personal or professional capacity that, although it may be legal, could create the impression that the giver was seeking favor from the employee or official in violation of I.C. § 18-1356 and I.C. § 18-1357.
17. Not engage in criminal conduct of any kind while on or off duty.

IV. WORKPLACE VIOLENCE

The City seeks to provide a violence-free workplace. Violence in the workplace poses a threat to the safety of employees and the public. The City will not tolerate acts and behaviors that are likely to result in workplace violence, including, but not limited to, abusive language, hitting or shoving, threats of bodily harm, threats or acts of violence, brandishing of an object which may be used as a weapon, sending threatening, harassing or abusive e-mail and faxes, using the workplace to violate protective orders and stalking.

All employees are responsible for minimizing workplace violence. All acts or threats of violence should be promptly reported to a supervisor, department head or the Mayor. Employees should also report situations that they believe could lead to workplace violence, including but not limited to protective orders or other no-contact orders.

Any employee who is determined to be responsible for acts or threats of violence, or other conduct listed in this section, will be subject to prompt disciplinary action up to and including termination of employment.

V. UNLAWFUL WORKPLACE DISCRIMINATION, HARASSMENT AND RETALIATION

The City strives to maintain a supportive and civil workplace—one in which employees treat each other with respect and dignity. In keeping with these values, the City prohibits and does not tolerate unlawful workplace discrimination, harassment or retaliation.

The following defined terms are applicable to this section:

Legally protected class means a personal characteristic that is protected by law. This includes race, color, national origin, religion, sex, age (40 and over), disability, or any other characteristic protected by law.

Participation in the workplace includes all aspects of being an employee at the City, including recruitment, hiring, job performance, performance reviews, training, development, promotion, demotion, transfer, compensation, benefits, educational assistance, layoff and recall, participation in social and recreational programs, termination and/or retirement.

A. Workplace Discrimination

Workplace discrimination is when one or more persons in a **legally protected class** are treated adversely with respect to their **participation in the workplace**. Adverse employment actions usually involve decisions made by supervisors, department heads, or Elected Officials that affect the workplace status and benefits of employees.

Illegal adverse employment actions may include, but are not limited to, not hiring a qualified applicant due to his/her age, not promoting an employee due to his/her religious beliefs, denying an employee a raise due to his/her race, disciplining an employee more harshly than others due to his/her sex, and terminating an employee due to his/her national origin.

B. Workplace Harassment

Workplace harassment is unwelcome conduct that is directed to one or more persons in a **legally protected class** that interferes with their **participation in the workplace**. The offensive conduct must be *severe or recurring* such that it creates a work environment that a reasonable person would consider intimidating, hostile or abusive. Petty slights, annoyance, and isolated incidents (unless extremely serious) will not rise to the level of illegality.

Offensive conduct may include, but is not limited to, offensive jokes, slurs, epithets or name calling, physical assaults or threats, intimidation, ridicule or mockery, insults or put-downs, offensive objects or pictures.

C. Workplace Sexual Harassment

Sexual harassment is a specific type of workplace harassment. Since it is particularly destructive to the work environment it is more thoroughly addressed here.

Sexual harassment occurs when one or more persons are subject to unwelcome sexual advances, request for sexual favors, or other verbal, non-verbal, visual or physical harassment of a sexual nature that is so *severe or recurring* such that it creates a hostile or offensive work environment.

Sexual harassment includes sexually harassing others of the same and/or different gender, gender identity or gender expression.

Sexual harassment is unlawful whether it involves co-workers, supervisors, department heads, Elected Officials, or customers of the City.

Sexual harassment may include, but is not limited to:

1. Leering, making sexual gestures, or displaying derogatory and or sexually suggestive objects, pictures, cartoons, posters or drawings;
2. Sexually degrading language, derogatory comments, epithets, slurs, sexually explicit jokes or comments;
3. Verbal or non-verbal unwanted sexual advances or propositions;
4. Threatening or making reprisals after a negative response to sexual advances;
5. Offering employment benefits such as raises, promotions and job retention in exchange for sexual favors;
6. Unwanted physical conduct such as touching, massaging, pinching, patting, hugging; and
7. Physical interference with normal work or movement including impeding or blocking movement.

D. Hostile Work Environment

A hostile work environment is discrimination or harassment in the workplace in which comments or conduct based on a **legally protected class**, unreasonably interferes with **participation in the workplace**. To a reasonable person, the comments or conduct must be *severe or recurring* such that it creates an intimidating or offensive work environment. Isolated incidents, petty slights, occasional teasing or impolite behavior are generally not sufficient to create a hostile work environment.

Examples of a hostile work environment may include, but are not limited to, being subjected to daily racial slurs, recurring derogatory comments about job performance based on gender, continuous sexual advances or propositions, frequently receiving sexually explicit emails from a coworker, physical harassment like hitting, pushing, groping and other touching.

E. Workplace Retaliation

Workplace retaliation is when an employee is punished or negatively treated because the employee engaged in legally protected activity, including initiating a complaint of discrimination or harassment, providing information or assisting in an investigation or refusing to follow orders that would result in discrimination or harassment. Retaliation can result from employment action taken by a supervisor, department head, Elected Official or from acts of other employees.

Examples of conduct that might be considered retaliation for engaging in protected activity include assigning the employee to less desirable tasks or shifts in the office, denying an employee a promotion or raise, socially isolating an employee, playing practical jokes on the employee, and allowing other employees to be critical of an employee for participating in a workplace investigation into alleged discrimination or harassment.

F. RESPONSIBILITIES

1. Employee Responsibilities

Employees should report incidents of discrimination, harassment, sexual harassment, hostile work environment or retaliation as soon as possible after the occurrence. Reporting should be made to any of the following:

- Designated Official
- Supervisor
- Department Head
- Human Resources Officer
- Legal Counsel for the City

If the employee's supervisor is the subject of the incident, the employee should instead report the incident to one of the other listed officials. Reporting should be made regardless of whether the offensive act was committed by a supervisor, co-worker, vendor, visitor or customer.

2. Supervisor Responsibilities

All supervisors are expected to ensure that the work environment is free from unlawful discrimination, harassment, sexual harassment, retaliation or the development of a hostile work environment. They are responsible for the application and communication of this policy within their work areas. Supervisors should:

- Encourage employees to report any violations of this policy before the harassment becomes *severe or recurring*.
- Make sure the Human Resources Office is made aware of any inappropriate behavior in the workplace.
- Create a work environment where sexual and other harassment, discrimination, or retaliation is not permitted.
- Correct any behaviors they observe that could constitute unlawful discrimination, harassment, sexual harassment or hostile work environment.
- Report any complaint of unlawful discrimination, harassment, sexual harassment, retaliation or hostile work environment to the Designated Official.

3. The City designates the city clerk, or his/her designee, as the Designated Official who will be responsible for directing the procedures of this policy.

G. PROCEDURE FOR REPORTING AND INVESTIGATING

The following steps must be followed to report and investigate incidents of unlawful discrimination, harassment, sexual harassment, retaliation, or the development of a hostile work environment.

1. A person who believes he/she has been unlawfully discriminated, harassed or retaliated against, or who observes or knows about behavior in the workplace that could be unlawful discrimination, harassment or retaliation, should report it to the Designated Official, his/her supervisor, department head, Elected Official, Human Resources Officer or legal counsel for the City. The individual receiving the report must then forward it to the Designated Official. If the Designated Official is the subject of the complaint, the report must then be forwarded to legal counsel for the City.
2. Once such a complaint has been made, the complaint cannot be withdrawn by the complainant without a determination that it was made erroneously.
3. The Designated Official should promptly review the complaint and consult with legal counsel for the City and the Human Resources Officer.
4. In appropriate circumstances, the person who is alleged to have committed the offense may be placed on paid or unpaid administrative leave pending a resolution of the allegations.
5. The Designated Official, in consultation with legal counsel for the City, should engage an appropriate person to investigate the complaint. The investigator should be a neutral party.
6. The investigator should interview the complainant, the person alleged to have committed the offenses, and any relevant witnesses to determine whether or how the alleged conduct occurred.
7. At the conclusion of the investigation, the investigator will submit a report of the findings to the Designated Official, who will then route it as appropriate.
8. The Designated Official and/or the appropriate supervisors and legal counsel for the City will meet separately with both the complainant and the person alleged to have committed the offenses to notify them in person of the findings of the investigation.
9. The complainant and the person alleged to have committed the offenses may submit written statements to the Designated Officials and/or supervisors challenging the factual basis of the findings. Unless circumstances prevent, the statement must be submitted no later than 5 working days after the meeting in which the findings of the investigation are discussed.
10. After the Designated Official and/or supervisors have met with both parties and reviewed the documentation, and after consultation with legal counsel for the City, a decision will be made as to what action, if any, should be taken by the Mayor or department head.
11. At the conclusion of this complaint procedure, the complainant should be informed that appropriate action, if any, has been taken. Because disciplinary personnel

matters are confidential, details of the specific discipline should not be shared with the complainant.

H. DISCIPLINARY ACTION

1. If it is determined that unlawful discrimination, harassment or retaliation has occurred, an appropriate course of action will be taken by the City. The action will depend on the following factors:
 - a. The severity, frequency and pervasiveness of the conduct;
 - b. The conduct of the respective employees;
 - c. Prior complaints made against the person alleged to have committed the offenses; and
 - d. The quality of the evidence (first-hand knowledge, credible corroboration etc.).
2. If problematic conduct is revealed in the investigation, corrective action may be taken even if the investigation is inconclusive or if it is determined that there has been no unlawful discrimination, harassment or retaliation.

I. CONFIDENTIALITY

Confidentiality will be maintained to the fullest extent possible in accordance with applicable federal, state and local law. However, a complete and thorough investigation of the allegations will require the investigator to inform witnesses of certain aspects of the complaint in order to obtain an accurate account of the actions of the parties involved. The City's insurer may also be engaged to assist in all phases of any proceeding or investigation.

VI. GENERAL POLICIES

A. ATTENDANCE AND PUNCTUALITY

It is important for employees to report to work on time and to avoid unnecessary absences. The City recognizes that illness or other circumstances beyond an employee's control may cause him/her to be absent from work from time to time. However, frequent absenteeism or tardiness may result in disciplinary action, up to and including discharge. Excessive absenteeism or frequent tardiness puts an unnecessary strain on co-workers and can have a negative impact on the success of the City.

Employees are expected to report to work when scheduled. Whenever an employee knows in advance that he/she is going to be absent, the employee should notify his/her immediate supervisor or the designated manager. If the absence is unexpected, the employee should attempt to reach his/her immediate supervisor as soon as possible, but in no event later than one hour before the employee is due at work. In the event the immediate supervisor is unavailable, the employee must speak with department head or his/her designated representative. If the employee must leave a voicemail, he/she must provide a phone number where the employee may be reached if need be.

B. SUBSTANCE ABUSE

The City recognizes alcohol and drug abuse as potential health, safety and security problems. The City expects all employees to assist in maintaining a work environment free from the effects of alcohol, drugs or other intoxicating substances. Compliance with this substance abuse policy is made a condition of employment, and violations of the policy may lead to discipline and/or discharge.

All employees are prohibited from engaging in the unlawful manufacture, possession, use, distribution or purchase of illicit drugs, alcohol or other intoxicants, as well as the misuse of prescription drugs on City premises or at any time and any place during working hours. While we cannot control the behavior of employees off the premises on their own time, we certainly encourage employees to behave responsibly and appropriately at all times. All employees are required to report to their jobs in appropriate mental and physical condition, ready to work.

Substance abuse is an illness that can be treated. Employees who have an alcohol or drug abuse problem are encouraged to seek appropriate professional assistance. Employees may inform their immediate supervisor, department head, or the Human Resources Office for assistance in seeking help, including possible coverage under the City's medical insurance plan, to address substance abuse.

When work performance is impaired, admission to or use of a treatment or other program does not preclude appropriate action by the City.

C. RELATIONSHIP POLICY

Any supervisor involved in a romantic relationship with a subordinate must immediately notify his/her superior of the existence of any such relationship. Efforts should be made to eliminate supervisory responsibility for one who is romantically involved with a subordinate. Employees involved in such relationship bear a responsibility to the City to cooperate in any effort to avoid the potential conflicts that can arise from such personal relationships in the workplace. Such relationship may result in a change of employment duties.

D. NO SMOKING POLICY

The City buildings and facilities are non-smoking in accordance with state and federal requirements. Use of tobacco products of any kind or e-cigarettes is not allowed within all indoor spaces of the City's buildings and facilities or in City vehicles. Smoking is only permitted outside of City buildings and facilities at least 50 feet away from entrances.

VII. EMPLOYEE DISCIPLINE

A. PERFORMANCE/DISCIPLINE FRAMEWORK

The following framework provides discipline options that may be taken when an employee violates employment policies or fails to adequately perform his/her duties. Nothing contained herein is intended to change the at-will nature of the employee's employment or limit the reasons for which the employee may be disciplined, including termination of employment. Progressive steps may be implemented in order to encourage improved performance or attitude but are not required. The City may take any of the following disciplinary actions, or any other action, in any order when a supervisor deems an action or performance of the employee to be serious enough to warrant a certain discipline.

B. DISCIPLINARY ACTIONS AVAILABLE

1. The following actions are among the disciplinary actions that may be taken in response to personnel policy violations or performance deficiencies:
 - a. Oral warning
 - b. Written warning or reprimand
 - c. Suspension without pay
 - d. Demotion
 - e. Dismissal
2. Conditions of maintaining employment that relate to particular performance/behavior issues may be established in conjunction with any of these actions.

C. OPPORTUNITY TO BE HEARD—NAME-CLEARING HEARING

1. All employees are at-will. However, an at-will public employee who is being terminated, or demoted with a reduction in pay, based upon allegations of *dishonesty, immorality or criminal misconduct* is constitutionally entitled to a name-clearing hearing when one is requested.
2. Failure by the employee to pursue this hearing procedure constitutes a waiver of this opportunity.
3. Issues involving dishonesty, immorality or criminal misconduct are the only issues that will be heard in this procedure.
4. The procedure for the hearing is as follows:

- a. Within 14 days of his/her termination or demotion, the employee may submit to the City Council a written request for a name-clearing hearing and state the basis for it.
 - b. A request for hearing will be denied if the employee misses the deadline for submittal of the request or does not state a valid reason. An employee will be notified if a requested hearing is either granted or denied.
 - c. An employee granted a hearing will meet with the City Council. The hearing will not exceed 1 hour in duration.
 - d. An audio recording of the hearing will be made and maintained as part of the personnel record.
 - e. The employee's supervisor may provide a brief written statement at least 24 hours prior to the hearing. The City Council may require the supervisor to participate in the hearing.
 - f. The employee will be provided an opportunity to present evidence upon which the claims are based.
 - g. The City Council may ask questions during this process.
 - h. The Idaho Rules of Evidence do not apply to this hearing.
5. After the hearing, the City Council will consider the information submitted, and other information as might be in the City's records, to arrive at a decision and will issue a written statement setting forth the reasons for the decision.

VIII. HIRING POLICIES

A. EQUAL EMPLOYMENT OPPORTUNITY

1. All selection of employees and all employment decisions, including classification, transfer, discipline and discharge, will be made without regard to race, religion, sex, age, national origin, or non-job-related disability, or any other characteristic protected by law. No job or class of jobs will be closed to any individual except where a mental or physical attribute, sex or age is a bona fide occupational qualification.
2. All objections to hiring or other employment practices will be brought to the attention of the Mayor, department head, supervisor or Human Resources Office, or in the case of objection to actions undertaken by any of them, to legal counsel for the City.
3. Employees can raise concerns and make reports without fear of retaliation. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.
4. The City will endeavor to make reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship. An employee should advise either the department head, supervisor or Human Resources

Office if he/she requires an accommodation to enable the employee to perform the essential tasks of the job.

5. The City will also endeavor to make reasonable accommodations for its employees' religious needs and practices, including those related to appearance and observance of holidays. An employee should advise either the department head, supervisor or Human Resources Office if he/she requires accommodation for religious reasons.

B. PREFERENCE FOR HIRING FROM WITHIN

Qualified City employees may be given preference over outside applicants to fill vacancies in the work force without following the notice and selection procedures normally required for hiring new employees. If the internal preference process is used, it should be completed prior to seeking outside applicants for the position.

C. VETERAN'S PREFERENCE AND RIGHTS

1. The City will grant a preference to U.S. Armed Services veterans, or certain of his/her family members, in accordance with provisions of Idaho Code, Title 65, Chapter 5. In the event of equal qualifications for an available position, a veteran or family member who qualifies for the preference will be employed.
2. Employees who are qualified veterans returning to employment with the City following qualified military leave shall have the rights and responsibilities provided by Idaho Code §65-508 and the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. §4301, et seq. The returning veteran will be restored to his/her position with the same seniority, status and pay that he/she would have had if there had been no military leave. In addition, in accordance with the provisions of these laws, the veteran will not be discharged from his/her position without cause for a period of 1 year after the restoration of his/her employment with the City.

D. NEPOTISM/HIRING OF RELATIVE

1. No person will be employed by the City when the employment would result in a violation of provisions found in Idaho Code, including but not limited to I.C. Title 74, Chapter 4, I.C. §18-1359 and their successors. Any employment made in violation of these sections may be void. The appointment or employment of the following persons is expressly prohibited:
 - a. No person related to the Mayor or a City Council member by blood or marriage within the second degree will be appointed to any compensated office, position, employment or duty; and
 - b. No public servant, including Elected Officials and employees, will appoint or vote for the appointment of any person related to him/her by blood or marriage within the second degree to any compensated office, position, employment or duty. This means no one related within the second degree to anyone involved in any way in the hiring process can be hired and/or that no one related to an applicant within the second degree can take part in the hiring process.

2. An employee whose relative is subsequently elected may be eligible to retain his/her position and pay increases as allowed by relevant provisions of Idaho law, including Idaho Code § 18-1359(5).

IX. EMPLOYEE PERSONNEL FILES

A. Personnel Records

1. The official employee records for the City will be kept in the Human Resource Department or by the City Clerk.
2. The personnel files should contain records related to employee performance, employee status, and other relevant materials related to the employee's service with the City.
3. The employee's supervisor, Elected Officials and the employee himself/herself may contribute materials to the personnel files deemed relevant to the employee's performance.

B. Access to Personnel Files

1. Only the employee's supervisors, the Mayor, the City Council when acting as a board in the course of its official business, attorneys for the City, and the employee are authorized to view materials in a personnel file. Access of others to such files will be allowed only when authorized after consultation with legal counsel for the City.
2. Information regarding personnel matters will only be provided to outside parties with a release from the employee, when deemed necessary by legal counsel for the City, or pursuant to a Court order or a proper subpoena.
3. The City reserves the right to disclose the contents of personnel files to outside state or federal agencies, its insurance carrier or its carrier's agents for risk management purposes, or when necessary to defend itself against allegations of unlawful conduct.
4. Copies of materials in an employee's personnel file are available to that employee without charge, subject to exceptions provided by statutes.

C. Management of Information in Personnel Files

Each employee will be provided an opportunity to contest the contents of his/her personnel file at any time, by filing a written objection and explanation that will be included in the file along with the objectionable material. In the sole judgment of the Mayor, after consultation with legal counsel for the City, any offending material may be removed upon a finding by the City that it is false or unfairly misleading. In general, there is a presumption that materials are to remain in personnel files accompanied by the employee's written objection and explanation to provide a complete employment history. Any such approved removal of information will be documented in writing and maintained in the employee's personnel file.

X. EMPLOYEE CLASSIFICATION

For various reasons, employee status must be organized by classes in order to administer employee policies, benefits or otherwise address employment issues. It is generally the responsibility of the employee to assure that he/she is properly categorized for purposes of each issue or benefit type. The City will endeavor to assist with such matters, but the employee is ultimately responsible to assure that his/her service is properly addressed.

A. Employee Classification for Employment Status

1. All employees of the City, including part-time and temporary employees, are **at-will employees**, except as otherwise required by law or pursuant to a written contract approved by the City Council.

2. Employed Attorneys.

Because the Idaho Rules of Professional Conduct govern the relationship between an attorney and his/her client, attorneys employed by the City are at-will employees. They serve at the pleasure of the Mayor and City Council and can be appointed or removed at their pleasure.

3. Appointed Officials.

The city clerk, treasurer, and any other officials appointed pursuant to Idaho Code § 50-204 may only be removed pursuant to Idaho Code § 50-206.

B. Employee Classification for Benefit Purposes

The classification of the position an employee holds with the City may affect the status of obligations or benefits associated with his/her employment. The primary classes of employees are:

1. Elected Officials

Elected Officials are not considered regular employees. Elected Officials receive employment benefits as identified in a resolution adopted by the City Council.

2. Full-Time Regular Employees

Employees whose employment is sustained and continuing and whose typical work week consists of at least 30 hours are considered full-time regular employees. Full-time regular employees are eligible for employee benefits provided by the City.

3. Part-Time Regular Employees

Employees whose employment is sustained and continuing and whose typical work week consists of less than 30 hours on a regular basis are considered part-time regular employees. Part-time regular employees may receive reduced employee benefits as authorized by the City Council and as required by federal and state law. The scope of benefits received may vary proportionately with the number of hours typically worked for a part-time regular employee. The number of hours worked may

also affect the employee's obligation to participate in certain mandatory state benefit programs. Certain benefits may not be available because qualifying thresholds have not been reached.

4. Temporary Employees

Employees who work on an irregular, seasonal or temporary basis are temporary employees. Temporary employees receive no benefits provided to regular employees, except those required by law or authorized by the City Council.

XI. COMPENSATION POLICIES

A. Establishment of Employee Compensation

Employees are compensated in accordance with, and subject to, decisions of the City Council as annual budgets are set and are subject to increase, reduction, or *status quo* maintenance for any time period. The Mayor or department head may make suggestions about salary compensation and other pay system concerns, but the final decision regarding compensation policy rests with the City Council.

B. Compliance with State and Federal Pay Acts

The City will comply with all state and federal pay acts governing compensation of its employees.

C. Right to Change Compensation and Benefits

The City may change general compensation for any reason deemed appropriate by the City Council. Compensation may also be adjusted based upon job performance and the availability of funds to maintain a solvent city budget. Hours worked may be reduced or employees may be laid off as necessary to meet budgetary constraints or as work needs change.

D. Overtime/Compensatory Time Policy

1. In addition to the employee classifications set forth elsewhere in this policy, all employees are classified as exempt (salaried) or non-exempt (hourly) for purposes of complying with the federal Fair Labor Standards Act (FLSA). Exempt employees perform work that qualifies for the professional, executive or administrative exemption and do not qualify for overtime compensation. Employees should contact their department head or the Human Resources Office for further clarification of the employee's FLSA status.
2. Overtime for non-exempt, hourly employees will be allowed only when authorized by the appropriate supervisor or when absolutely necessary in an emergency. Employees may not work any hours outside of their scheduled work day unless the supervisor has given advanced authorization for the unscheduled work. Employees

may not start work early, finish work late, work during meal breaks or perform any other extra or overtime work unless they are authorized to do so, and it is reported on the employee's timesheet. Any employee who fails to report, or inaccurately reports, any hours worked will be subject to disciplinary action, up to and including termination.

3. Non-exempt employees entitled to overtime compensation will either accrue compensatory time or overtime pay, as established by policy adopted by the City Council. Compensatory time or overtime pay for work in excess of 40 hours per week, or in excess of the work period interval established for law enforcement officers or firefighters, will be computed at 1½ hours for each additional hour worked. The City Council has set a maximum accumulation of 80 hours of compensatory time. Any compensatory time over that amount will be paid in the next pay period unless otherwise approved by the Mayor.
4. Compensatory time may be used whenever required by a supervisor or when requested by an employee with the concurrence of a supervisor. Use of requested compensatory time will depend upon the ability of the department to tolerate a requested absence. If repeated requests to use compensatory time are denied by a supervisor, or reasonable opportunities to use such time are unavailing, an employee must be paid for such accrued time.

E. Reporting and Verifying Time Records

1. Each hourly employee is responsible to timely and accurately record time that he/she has worked in accordance with the procedures authorized by the City Council and the payroll office. Each report of non-exempt employees must be signed manually or electronically by both the supervisor and the employee and must contain a certification that it is a true and correct record of the employee's actual time worked and benefits used for the time period covered. Any changes to the time record made by a supervisor or the payroll office to correct mistakes must be acknowledged by the employee. Exempt employees may be required to document time worked or benefits used for accountability purposes.
2. Any employee concerned about his/her compensation, rate of pay, payroll status, deductions, *etc.*, must communicate such concerns to the payroll office or his supervisor as soon as any such concern becomes evident. Documentation of any such issue should be maintained in the employee's personnel file.
3. Employees may not falsify their own timesheet or alter another employee's timesheet in any way. Employees must not under- or over-report hours worked by themselves or other employees, or conceal any falsification of time records, even if instructed to do so by a supervisor, department head, an Elected Official or other person. If instructed to do so, the employee must immediately report it to legal counsel for the City.

F. Work Periods

1. The workweek for all non-law enforcement, non-exempt employees who are subject to the FLSA begins at 12:00 a.m. on Monday of each week and concludes at 11:59 p.m. of the succeeding Sunday.
2. The work period for sworn law enforcement officers and firefighters may be up to the 28-day work period allowed by the FLSA, 29 U.S.C. § 207(k), as adopted by the City Council.

G. Payroll Procedures and Paydays

1. Employees are paid bi-weekly throughout the year. Paychecks or direct deposit receipts are issued on every other Thursday. Paychecks compensate employees for work performed in the pay period preceding the week in which the check is issued.
2. Every effort will be made to ensure that employees are paid correctly. Occasionally, however, inadvertent mistakes can happen. Each employee must monitor the accuracy of compensation received and review his/her paper or electronic paycheck stub when received to make sure it is correct. Information shown on the employee's paycheck stub is provided for information only. Actual practices regarding the issuance of paychecks and allocation of employee benefits must be consistent with official policy of the City. In the event of disagreement between the computer-generated paycheck stub and official policy, as interpreted by the City Council, the policy will prevail. Employees are obligated to call to the City's attention any such errors, whether to the advantage or disadvantage of the employee. When mistakes are made and are called to the City's attention, the City will correct the mistake as soon as possible.

H. Compensation while Serving on Jury Duty or as a Witness in a Court Proceeding

1. The City encourages employees to fulfill their civic responsibilities by serving on jury duty when required. Leave will be granted, and full pay provided, to employees called to serve as a court witness in matters specifically related to City operations, or called to serve on jury duty.
2. Employees must show the jury duty summons or notice to their supervisor as soon as possible so that the supervisor can make arrangements to accommodate their absence. Employees are expected to report for work whenever the court schedule permits.

I. Military Leave

An unpaid leave of absence will be granted to an employee to participate in ordered and authorized field training in accordance with Idaho Code §§ 46-407 and 46-409, and the Uniformed Services Employment and Reemployment Rights Act (USERRA).

J. Payroll Deductions

No payroll deductions will be made from an employee's paycheck unless authorized in writing by the employee, or as required by law (Idaho Code § 45-609).

K. Travel Expense Reimbursement

An employee on approved City business will be reimbursed for expenses incurred in completing his/her assignment in accordance with the policies established by the City Council. Each employee is responsible for providing verified receipts for any expenses for which reimbursement is requested.

L. On-the-Job Injuries

1. Employees are covered by worker's compensation insurance for on-the-job injuries. All on-the-job injuries must be reported to the employee's supervisor as soon as practicable so that a worker's compensation claim can be filed. Return to employment will be authorized on a case-by-case basis in consultation with the supervising official and the State Insurance Fund, and may require a fitness for duty medical review. Concerns associated with injured worker status may be brought before the Mayor or Human Resources Office for review.
2. The City will handle worker's compensation claims for sworn law enforcement officers pursuant to Idaho Code, Title 72, Chapter 11.

XII. EMPLOYEE BENEFITS

The City offers a number of employee benefits for full-time and part-time regular employees. These benefit offerings are subject to change or termination in the sole discretion of the City Council. Each benefit offering is subject to the specific terms of its respective insurance policy and/or official resolution of the City Council.

A. Vacation Leave

1. Vacation leave is available to full-time and part-time regular employees who have completed the equivalent of 12 months of full-time employment. Vacation leave accrues at the following rate for length of service for employees who typically work at least 30 hours per week:

Length of Service	Vacation Accrual
1 to 2 years	40 hours/year
3 to 5 years	80 hours/year
6+ years	120 hours/year

Employees who typically work less than 30 hours per week, accrue leave in proportion to the number of hours worked.

2. Vacation leave can only be accrued up to the maximum of 120 hours. Once an employee reaches accruals of that amount, no additional vacation leave will accrue until the employee's accrued hours are reduced below the maximum.
3. Vacation leave is to be scheduled with consent of the responsible department supervisor. Efforts will be made to accommodate the preference of the employee in vacation scheduling, but first-priority will be the orderly functioning of affected departments. Upon separation from employment, unused vacation leave up to the maximum allowed accrual will be compensated by lump-sum payment at the then-current hourly or daily rate.

B. Sick Leave

1. Sick leave benefits are provided to regular full-time employees at the rate of 8 hours per month. Part-time regular employees accrue sick leave per month at the rate of 1/5 of the hours worked in a typical week. Sick leave is a benefit to provide relief to the employee when an illness or injury prevents the employee from working productively or safely, or when an immediate family member's (spouse, child, parent) illness presents no practical alternative for necessary care. Sick leave must be requested at least within two hours of the time the scheduled work period is to begin, unless circumstances outside the control of the employee prevent such notice. The City may require the employee to provide a doctor's note, or require, at the City's expense, an independent review of reported illness by a competent medical authority.
2. Sick leave can only be accrued up to the maximum of 80 hours. Once an employee reaches the maximum accrual, no additional sick leave will accrue until the employee's accrued hours are reduced below the maximum.
3. Sick leave benefit recipients will receive their normal compensation when using sick leave. All unused sick leave will be forfeited without compensation upon separation from employment.

C. Holidays

Ten official holidays are provided for full-time regular employees. Full-time regular employees receive compensation for that day even though they do not work. Holidays which fall on Saturday will be observed on the preceding Friday. Those which fall on

Sunday will be observed on the succeeding Monday. The holiday schedule may be changed at any time by the City Council.

Full-time regular employees who work on holidays will be scheduled to receive a substitute holiday with pay within 60 days of the date of the holiday they worked. Unscheduled emergency work on holidays will be compensated at a rate of 1½ times the employee's regular rate of pay.

Recognized Holidays:

New Year's Day	Labor Day
Martin Luther King, Jr./Human Rights Day	Columbus Day
Presidents' Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

D. Bereavement Leave

Up to 3 days of paid leave of absence will be provided for a death in the immediate family (spouse, parents, grandparents, children, grandchildren, brothers and sisters, including in-laws). Employees have the right to use accrued vacation leave beyond the leave of absence allowed by this section.

E. Leaves of Absence

Up to 30 days of unpaid leave of absence can be granted by the Mayor for any justifiable purpose. Paid leave in any amount or unpaid leave in excess of 30 days will require written approval of the City Council.

F. Benefits for Temporary Employees

All temporary employees will receive benefits as required by law, including worker's compensation insurance. All other benefits are to be determined in the discretion of the City Council.

G. Insurance Coverage Available to Employees

Various insurance benefits are available to employees and family members in accordance with the terms and conditions of the City's contract for such services. The Human Resource Office should be contacted to learn of sign-up and claims procedures. Other insurance offerings may be available at employee or shared expense.

H. Retirement Program Offering

The City participates in the retirement program of the Public Employees Retirement System of Idaho (PERSI) and with Social Security (FICA). PERSI requires the City to

withhold a percentage of an employee's gross salary for pension purposes, and to contribute an additional larger amount on behalf of the employee. Contact the Human Resource Office for further information.

I. Transfer of Benefits with Employee Transfer

Accrued benefits continue when the employee transfers from one department to another within the City. However, upon such transfer, the employee is only eligible for those benefits authorized for the particular position and employment status.

J. Miscellaneous Benefits

In addition to the benefits listed on the previous pages, the following are examples of miscellaneous benefits, subject to change in the sole discretion of the City Council, that may be available to employees for participation in accordance with the terms of their respective policy or agreement:

1. Deferred compensation plans handled by payroll deduction.
2. Credit union participation.
3. Employee-requested deduction programs.
4. Allowance for uniforms, tools, equipment, etc.
5. Parking privileges.
6. Training and higher education reimbursement or tuition refund.

XIII. Family Medical Leave Act (FMLA)

A. Eligibility Requirements

To be eligible for FMLA benefits, prior to any leave request, the employee:

1. must have worked for the City for at least 12 months;
2. must have worked at least 1,250 hours for the City during the previous 12 months;
and
3. the City must employ at least 50 employees within 75 miles of the employee's workplace.

B. Employees Not Eligible

Since the City does not employ at least 50 employees, FMLA DOES NOT apply to City employees, and they are not entitled to 12 weeks of job-protected FMLA leave.

XIV. AMERICANS WITH DISABILITIES ACT

A. Eligibility

The Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendments Act (ADAAA) prohibit employers with 15 or more employees from discriminating against individuals with disabilities.

B. Reasonable Accommodation

The City will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job, unless:

1. doing so causes a direct threat to these individuals or others in the workplace, and the threat cannot be eliminated by reasonable accommodation; or
2. the accommodation creates an undue hardship to the City.

Employees should contact their supervisor or the Human Resources Office with any questions or requests for accommodation.

XV. FITNESS FOR DUTY EXAMS

A. Safe Work Environment

The City is committed to maintaining a safe and productive workplace. Every employee is required to report to work fit to perform his/her job in a safe, appropriate and effective manner.

B. Conditions for Exam

The City may require a fitness for duty evaluation as part of a physical exam of the employee to determine the employee's physical, mental and emotional readiness to perform the essential functions of his/her job with efficiency and safety for himself/herself and others. Fitness for duty evaluations may be done in the following circumstances:

1. following a conditional offer of employment;
2. prior to return to work following a leave related to injury or illness;
3. when an employee expresses concern about his/her ability to perform the functions of his/her job; or
4. when there is reasonable belief that the employee cannot safely perform the functions of his/her job.

XII. IDAHO WHISTLEBLOWER PROTECTION

A. Scope

Idaho Code, Title 6, Chapter 21, provides protections to public employees who experience adverse employment actions as a result of the good faith reporting of the existence of any waste of public funds, property or manpower, or of a violation, or suspected violation, of law, rule or regulation of the City, state of Idaho or the United States of America.

B. Reporting

Any such report must be made at a time, and in a manner, which gives the City a reasonable opportunity to correct the waste or violation.

C. Protection

The City may not take adverse action against an employee because the employee in good faith reports the suspected waste or violation, or participates or gives information in an investigation, hearing, court proceeding or any other form of administrative review of the report.

D. Enforcement of Rights

If the employee believes that he/she has experienced an adverse employment action protected by the Whistleblower Act, he/she may bring a civil action in District Court within 180 days of the occurrence of the violation of the Act.

XIII. CANDIDACY FOR ELECTIVE OFFICE

A. First Amendment

While the City recognizes that the First Amendment provides Constitutional protections for the political activity of its employees, it also recognizes that this right is not absolute when balancing the right of the individual to become a candidate for office and the City's interest in promoting the efficiency of the public services it performs through its employees.

B. Reasonable Prediction of Disruption

1. If an employee initiates candidacy against an Elected Official and there is a reasonable prediction of disruption, the employee must resign or face possible employment action, including being placed on an unpaid leave of absence or termination.
2. A reasonable prediction of disruption is based upon any of the following factors:

- a. The size of the department in which the employee works—the smaller the department, the greater the likelihood of disruption;
- b. Whether the employee candidate holds a position of trust and confidence to the incumbent—the closer the ties, the greater the likelihood of disruption;
- c. Whether the employee candidate is running for a position in which he/she would replace or become superior to his/her current supervisor—in such circumstances the likelihood of disruption would be greater; or
- d. The nature of the relationship between the employee candidate and the incumbent and the degree of contact they have with one another—the greater the amount of contact and interaction, the greater the likelihood of disruption.
- e. Not all of the above factors must be met to find a reasonable prediction of disruption.

C. Evaluation and Action

- 1. The Elected Official should consult with legal counsel for the City in determining whether there exists a reasonable prediction of disruption and the appropriate employment action to take.
- 2. The Elected Official should set out in writing the factual basis for finding that there exists a reasonable prediction of disruption using the above factors and his reasoning for taking the specific action. The written findings should be provided to the employee and placed in the employee's personnel file.
- 3. All other applicable procedures that allow an opportunity to be heard, as set out in this policy, will apply.

XIV. SEPARATION FROM EMPLOYMENT

A. REDUCTIONS IN FORCE (RIF)

When financial circumstances or changes of workload require, the City may reduce forces in such manner as it deems necessary to maintain the effective functioning of the City services. Employee assignments may be affected by reductions in force made due to economic conditions or to changes in staffing and work needs. The Mayor, in conjunction with the City Council, may make any changes in the work force or assignment of resources deemed to be in the City's best interests.

B. COBRA BENEFITS

Employees who currently receive medical benefits and who resign or are terminated from their employment may be eligible to continue those medical benefits for a limited time in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985

(COBRA). Employees with questions regarding the right to continue health coverage after termination of their employment should contact the Human Resources Office.

C. EXIT INTERVIEW

Each employee who terminates from employment is encouraged to participate in an exit interview with the designated representative of the City. In such interview, the City should notify the employee when certain benefits will terminate, when final pay will be issued and review the process to receive COBRA benefits. The employee should be invited to inform the interviewer about his/her impressions of employment. An employee exit form may be completed and will be retained in the employee's personnel file.

D. RESIGNATION POLICY

1. Written and oral resignations are effective upon receipt by a supervisor or Elected Official. Oral resignations should be documented by the supervisor after consultation with the Mayor or department head. Evidence of the written or oral resignation should be provided to the employee and placed in the employee's personnel file.
2. Employees who have an unexcused or unauthorized absence of 3 or more working days in a row may be considered to have resigned through abandonment of his/her position. If an employee's words or actions indicate an intent to resign, including having an unexcused or unauthorized absence of 3 or more working days in a row, the City will consider the employee as having resigned and immediately notify him/her of such.

1. Definitions:

- a. **Confirmation of Having or Not Having the Disease** means an **employee** receives confirmation that he/she does or does not have the disease by undergoing qualified testing as recommended and/or directed by public health authorities.
- b. **Communicable Disease (also referred to herein as “the disease”)** means an illness caused by an infectious agent or its toxins that occurs through the direct or indirect transmission of the infectious agent or its products from an infected individual or via an animal, vector or the inanimate environment to a susceptible human host.
- c. **Employee** means any person employed full-time or part-time by (city/county/other).
- d. **Employer** means city/county/other.
- e. **Public health authorities** mean a governmental or quasi-governmental public health-oriented agency or body responsible for providing guidance and instruction on **communicable diseases**. Examples of these public health authorities are the Centers for Disease Control (CDC) and local Public Health Districts.
- f. **Quarantine** means a state of isolation in which people who have been exposed or potentially exposed to the disease are secluded to avoid exposing others to the disease.
- g. **Workplace** means a location where the **employee** normally performs the functions of his or her job.

2. Declaration of Communicable Disease Emergency

Employer may declare a **communicable disease** emergency at any time based on the presence or threatened presence of a **communicable disease** within **employer’s** borders, boundaries, or areas of operation. **Employer’s** decision to declare a **communicable disease** emergency may be based on the direction and recommendations of **public health authorities** but shall not be bound by the same. **Employer** may declare a **communicable disease** emergency whenever a **communicable disease** affects or threatens to affect the health and safety of **employees** and/or members of the public within **employer’s** borders, boundaries, or areas of operation.

3. Screening of Employees

Employer may conduct screening of **employees** entering the **workplace** to protect against the spread of the disease in the **workplace**. Such screening may include **employees** being asked whether they have the disease, whether they have symptoms of the disease, and whether they have been tested for the disease. **Employees** may also be asked whether they have come into contact with anyone who has been diagnosed with the disease or who may have symptoms of the disease. Such screening may also include **employees** having their temperatures taken and other similar steps. **Employer** may also administer testing for the disease to determine whether **employees** entering the **workplace** have the disease.

An **employee** who refuses any screening measures, including answering the questions set forth above, may be excluded from the **workplace**. **Employees** who refuse screening measures will be required to use paid time off and will not be eligible for emergency paid sick benefits if available. **Employer** may require an **employee** to leave the premises if the screening process indicates the person has or may have the disease.

If an **employee** calls in sick the **employer** may ask the **employee** the screening questions above. Additionally, if an **employee** has missed work, the **employer** may ask the **employee** why he/she has missed work.

In addition to the requirements above, **employees** are required to self-report any positive test or diagnosis of the disease to **employer**, as well as any known or suspected exposure to someone with the disease, and any symptoms of the disease.

If **public health authorities** have recommended **quarantine** for people who travel to specific locations, **employees** must notify **employer** if they have traveled to any such location during applicable **quarantine** periods for those locations. If the **employee** has traveled to one of these locations, **employer** may direct the **employee** to stay away from work premises for the prescribed **quarantine** period. Such requirements will only apply to personal travel during the **communicable disease** emergency.

All such screening will be confined to those measures prescribed by **public health authorities** and consistent with legal limitations. All information obtained from screening will be kept confidential.

4. **Attendance and Time Off**

Unless otherwise directed by **employer**, **employees** are expected to perform the duties of their positions as they normally would despite the presence or potential presence of the disease. However, **employer** understands that **employees** may be impacted by the disease in ways that necessitate their being away from work at times. The utilization of vacation and/or sick days due to the disease applies to **employees** who become sick with the disease as well as those who undergo **quarantine** because of exposure or potential exposure to the disease. Accordingly, **employees** may utilize **employer's** vacation and sick leave benefits for time off due to the disease as set forth below.

- a. **Infection**: Time off for **employees** who are confirmed as having the disease shall be given as follows: **Employees** who are confirmed as having the disease may immediately begin taking sick leave. This leave will continue until **employee** provides written clearance from a health care professional stating that **employee** is fit to return to his/her job. **Employer** may also allow an **employee** to return to work under guidelines provided by **public health authorities**.
- b. **Quarantine**: Time off for **quarantine** shall be limited to the number of days prescribed by **employer** based on recommendations by **public health authorities** at the time of the **quarantine**. At the end of the **quarantine** period **employee** must return to work unless the **employee** has been confirmed as having the disease and further time off is recommended by a health care provider.

- c. Leave to Avoid Exposure: **Employees** who have not been exposed or potentially exposed to the disease may not utilize sick leave days to avoid exposure to the disease. **Employees** may utilize vacation days for the purpose of avoiding exposure only with approval from the **employer**. The decision to grant vacation days for this purpose will be made by **employer** based on the needs of the **employee's** department and that department's ability to function efficiently and properly in the **employee's** absence.

- d. Leave to Care for Family Members:

(IF EMPLOYEE IS FLMA-ELIGIBLE) **Employees** may use **employer's** vacation or sick leave benefits to care for immediate family members affected by the disease if eligible to do so under the Family and Medical Leave Act (FMLA). To do so, **employees** should make a request for FMLA leave with **employer's** human resources department as directed by **employer's** normal FMLA policy.

(IF EMPLOYEE IS NOT FMLA-ELIGIBLE) Unless otherwise provided by law, **employees** should refer to **employer's** emergency leave policy regarding taking leave to care for family members.

- e. Employer Required Time Off

Employer may require an **employee** to take time off under this policy in the event an **employee** is confirmed as having the disease, has been exposed to the disease, or has potentially been exposed to the disease. In this event the **employee** shall be charged for sick or vacation leave unless **employer** directs otherwise.

- f. Returning from Time Off

Employees who have taken time off due to the disease must return to work when their leave expires except as directed otherwise in this policy or by **employer**. **Employees** whose leave has expired who refuse to return to work may be considered as having abandoned their position.

- g. Discretionary Leave and Unpaid Time Off

In the event an **employee** has no remaining vacation or sick days and needs to take time off related to the disease, the **employer** may allow the **employee** to take discretionary leave in which the **employee** does not report to work but continues to be paid. The **employer's** decision to grant discretionary leave will be made on a case-by-case basis and will be based primarily upon the financial ability of **employer** to grant such leave as a general practice. In the event **employer** does not grant discretionary leave, **employer** may, but is not required to, allow the **employee** to take unpaid leave. Such unpaid leave will be considered by the **employer** on a case-by-case basis.

- h. State and Federal Laws

Employer will adhere to all state and federal laws governing **employee** leave and pay during times of emergency, including any laws enacted specifically for the disease.

i. Accommodations

Employer may provide accommodations to **employees** that vary from the terms above. Any **employee** who believes they need an accommodation should contact human resources to make a request.

5. Stay-At-Home Orders

In the event **employer** is prohibited from having its **employees** enter the **workplace** by order of the State, **employer** will comply with this order and all **employees** (except those exempted) should remain at home until such time as they are directed to return to work. In this event, **employer** will make separate provisions and issue directives to its **employees** regarding this event and what **employees** should do.

Once a stay-at-home order has been rescinded, **employees** must return to the **workplace** unless otherwise authorized by **employer**.

6. Working Remotely

As a way of preventing the spread of the disease in the **workplace**, and/or to enable an **employee** who is unable to be in the **workplace** to continue working, **employer** may allow an **employee** to perform his or her job duties remotely. However, the decision by **employer** to allow an **employee** to work remotely shall be made on a case-by-case basis, and shall be based on the needs of the **employee's** department, the feasibility of allowing the **employee** to work remotely (including technical and logistical considerations), the security of the **employee's** remote location in light of the **employee's** job duties and the sensitivity of those duties, and other considerations.

Employees must obtain authorization to work in a remote location other than the original location approved.

Employees who are allowed to work remotely may be required by **employer** to come into the **workplace** when **employer** deems it necessary. **Employer** may require the **employee** to return to working in the **workplace** at any time.

7. High Risk Employees

Employees who are deemed by **public health authorities** to be at an increased risk of becoming infected with the disease are urged to consult with their physicians regarding steps they should take to protect their health. Such **employees** may request accommodations due to their status with human resources. However, all accommodations will be considered on a case-by-case basis and considering legal requirements and **employer's** ability to grant such accommodations without undue hardship.

8. Confidentiality of Employee Health Information

If an **employee** tests positive for the disease, **employer** may inform fellow **employees** of their possible exposure to the disease if applicable. However, **employer** will maintain confidentiality with respect to **employee's** health condition as required by applicable laws.

9. Masks and other preventative measures in workplace

The **employer** may issue directives for the wearing of masks and/or other personal protective equipment (PPE) in the **workplace** to stop the transmission of the disease. Such a directive will be made based on the guidance of **public health authorities** and may be amended from time to time as determined by **employer**. A directive from **employer** regarding masks and other PPE will apply to all **employees** of **employer** except those specifically exempted.

Once a mask directive has been issued, **employees** who are unable to wear a mask for any reason should consult with human resources as soon as possible. **Employees** may be asked to provide documentation from a health care provider regarding their inability to wear masks or other PPE. **Employees** who are unable to wear masks in the **workplace** may be required to perform their duties in alternative workspaces, work remotely, or to take leave with or without pay depending on individual circumstances.

Employer may also take additional steps to prevent the spread of the disease in the **workplace** such as requiring social distancing, installation of protective barriers, and other measures. **Employees** are expected to adhere to all such requirements put in place unless excepted from doing so by **employer**.

Because the wearing of masks and/or other PPE is meant to prevent the spread of the disease and represents an important part of protecting **employees** and members of the public in the **workplace**, **employees** who have not been exempted from wearing masks or other PPE by **employer** and who refuse to follow the **employer's** directives regarding the same may be subject to discipline. The same applies to **employees** who refuse to observe or follow other requirements put in place to prevent the spread of disease in the **workplace**.

10. ADA/Accommodations

Employer will adhere to all requirements for accommodations as set forth in the Americans with Disabilities Act (ADA). **Employees** who wish to request accommodations that will enable them to fulfill the essential functions of their jobs should make such requests through their human resources office.

11. Vaccinations

Employer may implement a separate policy governing **employee** vaccination for the disease.

12. Employee Travel

Employer may restrict **employee** travel for official purposes during the **communicable disease** emergency period. Such restrictions will be communicated by **employer** to all affected **employees**.

13. Workplace Hygiene and Cleaning Practices

Employer may institute policies and procedures regarding **employee** hygiene and the cleaning of workspaces based on the recommendation of **public health authorities**. **Employer** may require **employees** to take certain steps with respect to personal hygiene and

environmental cleanliness to maintain a clean and safe **workplace** to help prevent the spread of the disease.

14. Exceptions to Policy

This policy shall not apply to any **employee** or class of **employees** specifically designated by **employer**. **Employer** may add or remove any **employee** or class of **employees** to or from this designation at any time.

15. Violations of Policy

Because the steps set forth in this policy are necessary for **employer** to prevent the spread of the disease and to protect **employees** and members of the public in the **workplace**, an **employee** who intentionally fails to follow the provisions in this policy may face discipline up to and including termination. Additionally, **employees** who knowingly provide false information to **employer** regarding the directives in this policy, including for the purpose of obtaining benefits, may face the same discipline.

ACKNOWLEDGEMENT OF COMMUNICABLE DISEASE POLICY

I, _____, acknowledge that I have read **employer's** Communicable Disease Policy and that I understand it and agree to comply with it. I further acknowledge and understand that it is my responsibility to be familiar with the terms of this policy and to abide by them. I understand that I may be subject to disciplinary action for failing to adhere to these terms.

WATER ADJUSTMENT POLICY

Consideration for leak adjustments is based upon excess usage resulting from a leak that cannot easily be detected. Excess usage is defined as consumption that exceeds the property's historical consumption by 50% or greater. The historical average consumption is determined based upon previous usage for a similar time period.

Adjustments are limited to difficult to detect leaks, typically underground, including:

- Broken pipes
- Underground leaks including valves & pipes cracked by freezing, corrosion, etc.

The following types of leaks will **not** be considered for adjustment:

- Leaking or malfunctioning fixtures including faucets, toilets, etc.
- Malfunctioning appliances including hot water heaters, improperly adjusted water softeners, etc.
- Leaking sprinkler heads
- Incompletely closed valves including sprinkler valves and stop & waste valves
- No adjustments will be given for any type of irrigation leak during a water emergency.

Leaks must be repaired within 30 days of the date the leak was identified or the owner was notified to be eligible for a bill adjustment. The credit amount will be calculated after a copy of the leak repair bill is received. The receipt serves as verification that the repair was completed within the 30-day requirement and that the item repaired qualifies per the leak policy.

You may **NOT** turn water on or off at City's valve.

- All work performed on the meter must be done or coordinated by the City.
- Meters remains the sole property of the City.
- We recommend installing a shut-off valve between the meter & your home.

Adjustments are determined as follows:

- Usage in excess of the property's historical average amount is calculated and credit is given for 50% of the total excess gallons used.
- A customer may only be eligible for one adjustment per year if prior history demonstrates a repeated pattern of credits.

It is the responsibility of the property owner to identify water leaks on their property; however, leaks may be brought to the attention of the Water Department by anyone who observes the leak. As an added Customer Service, the Water Department also looks for indicators of potential leaks. Unusual consumption may be identified by the Water Department. If the Water Department discovers the leak during a monthly review, the consumer may be contacted by either phone or letter.

A Life Flight Network Membership relieves you from liability for out-of-pocket costs of emergent, medically necessary transports completed and billed by Life Flight Network. Your membership is not an insurance policy but secondary to insurance carriers and health care cost sharing programs. All available insurances will be billed first including health, auto, workers compensation and third-party insurance. Life Flight Network will accept payment from insurance carriers and other third party payers as payment in full.

Membership benefits are available for those eligible household members listed on the member record at the time of transport if the transport is an emergent, medically necessary transport to the closest, most appropriate facility, performed by Life Flight Network, its contracted agents, or reciprocal partners, subject to the reciprocal program's rules.

Membership benefits are extended to the primary member, his/her spouse or domestic partner and dependents claimed on their income tax return. Dependents must be added to the member record within 30 days of birth or adoption. Elderly (age 65+) and disabled family members living in the same household are also covered. Life Flight Network may require documentation or other verification of membership eligibility.

Emergency medical transports are based on medical need, not membership status. Medical need can only be determined by a physician, EMS provider, hospital or another qualified third-party recognized by Medicare, and is in all cases subject to the final determination of the health insurance carrier, if any. Non-emergent transports are not eligible for Life Flight Network membership benefits.

New and lapsed membership benefits take effect upon receipt of a completed enrollment with payment.

Availability of service cannot be guaranteed due to weather conditions, maintenance and commitment to another transport, out-of-service equipment and other reasons.

Membership fees are non-refundable, non-transferable and are not tax-deductible. Life Flight Network may cease selling and servicing memberships should any governmental body, now or in the future, determine memberships can no longer be offered within their jurisdiction. No refunds will be made for any memberships already purchased.

I transfer directly to Life Flight Network my rights to insurance payments due to me for services provided by Life Flight Network. Such payments shall not exceed Life Flight Network's regular charges. Denial of a claim by an insurance provider must be received by Life Flight Network in writing. Membership benefits do not extend to transports deemed not medically necessary or when insurers deny payments due to coordination of benefit issues. Per government regulations, individuals covered by Medicaid are not eligible for Life Flight Network membership and should not apply.

I specifically release and waive any and all rights, claims or causes of action against Life Flight Network and its employees and agents with respect to my Life Flight Network Membership.

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see www.lifeflight.org

Life Flight Network Membership Program Frequently Asked Questions

What is the Life Flight Network Membership Program?

Life Flight Network's Membership Program is designed to benefit patients who are transported by Life Flight Network under emergent, medically necessary circumstances. If you or an eligible member of your household is flown, Life Flight Network will bill your insurance company and accept whatever they pay as payment-in-full. If there is a balance, and there usually is, Life Flight Network will not charge you for the remaining amount. As a member of Life Flight Network you have **no out-of-pocket expense for emergent, medically necessary air transport by Life Flight Network or our reciprocal partners.**

Why should I become a member?

Northwest families live, work, and play in our vast coastal areas, open spaces, scenic mountain passes, and rivers, enjoying all the recreational wonders the Northwest has to offer. This often remote environment can place residents and visitors at risk when they need immediate and specific medical attention, whether it is a pediatric medical emergency, heart attack, stroke or accident. Life Flight Network can quickly dispatch a specialized emergency health care team to an accident or medical emergency to provide critical care life support and accompany the patient on a swift flight to a medically appropriate facility.

Who is covered by my membership?

Membership benefits are extended to the primary member, his/her spouse or domestic partner, and dependents claimed on their income tax return. Elderly (65+) or disabled family members living in the same household are also covered.

Do you cover the cost of a ground ambulance?

Life Flight Network is primarily an air ambulance service. There are a few Life Flight Network ground ambulances that in certain locations may be used for interfacility transports; in lieu of air transport due to weather; or to complete a fixed-wing transport in some instances. General 9-1-1 calls are not responded to by Life Flight Network ground ambulances.

Can I be transported more than one time a year on my membership?

You are not limited by the number of times a year you may be flown by Life Flight Network, but the transport must be medically necessary and emergent.

How much do memberships cost?

A Standard Membership costs \$69 per year; \$130 for two years; \$300 for five years or \$1200 for a Lifetime Membership. There is also a payment plan where four annually consecutive payments of \$300 can be made.

Can I buy a membership as a gift?

Yes, you can purchase a gift membership. To purchase a gift membership call our membership services office at 1-800-982-9299 or go online to www.lifeflight.org/membership.

Are there group pricing options?

Yes, Life Flight Network offers a discount to groups with ten or more members paying with one check. The discounted price is \$59/year. Contact Polli Buzzini at 208-869-0708 or pbuzzini@lifeflight.org for more information about group pricing.

I currently receive a discount membership, can I purchase a gift membership under my discount?

You can purchase a gift membership under your discount only if the recipient of the gift membership qualifies for group pricing.

Does a membership with Life Flight Network cover organ transplant patients?

A transport must be emergent, medically necessary and to the closest available hospital that can care for that medical emergency. If a transplant patient is in a hospital and needs transport, Membership benefits generally apply to any remaining balance after insurance has been billed for that transport. Transport for patients who are at home are generally not covered by membership benefits. The patient should work with their transplant coordinator for other transport options.

Will my insurance cover an emergency air transport?

Most insurance plans will cover some portion of an emergency air transport. A membership with Life Flight Network will cover any cost beyond what your insurance pays for. To find out exactly how much your insurance may pay, you should contact your insurance company directly.

Is my membership tax deductible?

No, your membership is not tax deductible. Also, membership fees are non-refundable and non-transferable.

Once I pay for my membership when will it be activated?

Membership benefits take effect after receipt of a completed application and payment. By mail, this is the day your completed membership application and payment arrived in the mail. By phone, this is the day you call in with a credit or debit card to pay for your membership. Via our website, this is the day you submit your online form and payment.

If I have Medicaid, can I purchase a membership?

Per government regulations, individuals covered by Medicaid are not eligible and should not purchase a membership. (Life Flight Network must accept payment in full by Medicaid.)

Is my membership an insurance policy?

Life Flight Network membership is not an insurance policy; it is a membership.

Does Life Flight Network reciprocate membership with other air medical programs?

Yes, Life Flight Network reciprocates with other flight programs, which means if one our members is transported by a reciprocal program, they receive membership benefits according to that program's rules. A full list of Life Flight Network's reciprocal partners can be found at www.lifeflight.org/membership.

CITY OF IDAHO CITY FILMING PERMIT GUIDELINES

The following guidelines must be adhered to in order to film in Idaho City:

Film permit applications will be arranged through the Idaho City Clerk's Office who will coordinate the process with the appropriate city or county services.

1. Permits are required when filming impacts the public way (streets, sidewalks, alleys, etc.). Permits may also be required when filming in City Parks.
NOTE: News crews, handheld interviews, documentaries, B-roll, and other low impact productions typically do not require a permit, as long as it does not interfere with vehicular or pedestrian traffic.
2. Permits are valid for specific locations, dates and times as requested in the application.
3. Applications for permits must be submitted 30 days prior to the beginning of filming. Rush fees may apply for obtaining permits prior to 30 days. Processing time for films with pyrotechnics, closure of City Streets or rerouting of transportation may take longer so plan accordingly.
4. There is a non-refundable \$25 application-filing fee for a film permit. Permits will incur a \$50 per day fee made payable to City of Idaho City prior to granting the permit.
5. A certificate of insurance naming the City as an additional insured in the amount of \$1,000,000 general liability, and \$1,000,000 bodily injury, property damage and automobile liability, must be received with the permit application. (**Students and Filmmakers with budgets under \$50,000—Please contact the city clerk's office regarding insurance needs.*)
6. Uniformed Police Officers will be assigned to production at the expense of the production company when the Chief of Police or his designee deems it advisable for public safety and convenience. The number of officers assigned will be determined by the police department based on the needs of the production to guarantee maximum safety and security of the public. Contact the city clerk's office for the fee schedule based on your location.
7. No parking signs must be posted by the production company or the appropriate City Departments, at the expense of the production company within 72 hours prior to closing streets or parking lots.
8. The relocation of parked vehicles from permitted zones can only be performed by the appropriate City Departments per arrangement with the city clerk's office.
9. Arrangements for overflow crew parking must be made in advance with the city clerk's office.
10. Residential areas can be used for filming between 7:00 a.m. - 11:00 p.m. in accordance with the City of Idaho City's Nuisance Ordinance No. 316. Filming at any other time must receive prior approval from the Idaho City Council and the appropriate City and Police Personnel.
11. A minimum of 72 hours' notice is required to notify residents within a 1-2 block radius of the shooting location depending on the scope of the production. Notification fliers must include the production company, shooting times, parking or traffic restrictions, any special effects utilized (pyrotechnics, simulated gunfire, etc.) and the appropriate contact names and phone numbers for on-site personnel. Final piece must be approved by the Idaho City Council prior to mailing or canvassing.
12. The production company shall not interfere with the normal activities of a neighborhood. Filming crews and equipment should not interfere with garbage collection, street sweeping, etc. and access to private property cannot be blocked unless permission is procured.
13. No littering is permitted and all garbage must be cleaned up prior to leaving the location.

INTERIM MORATORIUM
ORDINANCE NO. 366**

AN ORDINANCE OF THE CITY OF IDAHO CITY, BOISE COUNTY, IDAHO, DECLARING AN INTERIM MORATORIUM ON THE ISSUANCE OF BUILDING PERMITS AND DEVELOPMENT APPLICATIONS THAT REQUIRE OR INVOLVE NEW CONNECTIONS TO THE CITY OF IDAHO CITY'S WATER SYSTEM FOR A PERIOD OF NOT MORE THAN ONE HUNDRED EIGHTY-TWO (182) DAYS DUE TO IMMINENT PERIL OF PUBLIC HEALTH, SAFETY, AND WELFARE; AND PROVIDING THIS ORDINANCE BE EFFECTIVE UPON ITS PASSAGE.

WHEREAS, the City of Idaho City maintains and operates its own municipal water system and the provision of water services is a primary and essential service provided by the City to those customers within its service area now and in the future;

WHEREAS, the City was notified that its current and projected demand for water is beyond its current water right;

WHEREAS, the City's efforts to reduce water usage have not been sufficient to bring the City to within its water right;

WHEREAS, the City is undertaking discussions with the water district to secure additional water sourcing and rights; and

WHEREAS, the City Council finds that a foreseeable inability to provide water is an imminent peril to the public health, safety, and welfare of the citizens of Idaho City, such that an Emergency Moratorium should be placed on new connections to the water system.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF IDAHO CITY, IDAHO:

1. The City Council finds that the inadequacy of its current water right to meet its demand with certainty through its municipal water system is an imminent peril to the public health, safety, and welfare of the citizens of the City of Idaho City.

2. A moratorium on new building and development is the only way to avoid exacerbating the City's demand for water and further jeopardizing the City's ability to fulfill its obligations for the provision of water services.

3. Therefore, a moratorium is imposed upon the receipt, processing, and approval of applications for building permit or development plans, including preliminary plats, final plats, or site plans, that require, contemplate, or involve a new connection to the city water system.

4. This moratorium shall not apply to any permit that has already been issued or application for a building permit that is already complete and pending. Further, this moratorium

Not more than 1 year

~~T. Blaine~~

shall not apply to an application for a permit that is related to a previously approved plan or plat for which there is documentation of serviceability by the City, provided that mere location within the city limits or service area is not documentation of serviceability. These limitations shall not prohibit the Idaho City City Council, Planning and Zoning Commission, or Planning and Zoning Administrator from exercising the control it is otherwise authorized to exercise over any such permit, project, or development application.

5. This moratorium shall be in place for a period of one hundred and eighty-two (182) days following adoption of this moratorium.

6. This moratorium shall be in full force and effect upon immediately upon the date of its passage.

7. This moratorium is hereby declared to be severable. The invalidity of a section shall not affect the validity of the remaining sections.

8. If a conflict exists between this moratorium and any other ordinance, resolution, or order of the City of Idaho City, this moratorium shall control until its expiration or termination by the City Council.
