Alex Gross on behalf of EBCAD explained the reasoning and purpose behind the redistricting of the Ambulance District. Under Idaho State code in order to form a new district the cities within the new district have to consent to the dissolution of the old District and formation of the new District. Alex Gross Planning and Zoning Director with Boise County explained that Counselor Secor had had discussions with them regarding inspection services and they are willing to help. Mayor Everhart added that when he was at the County Commissioners meeting, they would be in agreement if the County and City came to an agreement. Discussion on codes and transition periods ensued. One being to have a new line ran, and the other is to work with the neighbor to raise the belly in the sewer line that is on their property. Discussion on the sewer line, it's issues, and the accounts ensued. City Attorney Callahan added that anything to do with the neighbor's property or easements is a civil issue between the two homeowners and that needs to be resolved between them. Here is not currently a role for the city in this situation.

B. COWBOY CAMPGROUND SEWER CONNECTION APPLICATION APPROVAL - **ACTION ITEM**

Bob & Sabrina Amidon explained to council that they are looking to increase their ability to have longer-term campers. Discussion on what everyone would bring ensued. Mayor Everhart added that Clearwater will prepare a press release to come out after the June 26th meeting. Clerk Ptak added the Clearwater has also suggested doing an ongoing positive news release showing what the council is working on, etc., and looking for feedback from the community. TERMS AND CONDITIONS

1. OFFER TO SELL, METHODS OF ACCEPTANCE AND AGREEMENT TERMS: This Sales Agreement ("SA") is an offer for the sale of the equipment, vehicles, accessories and attachments described on the invoice (referred to generally as "equipment" or "goods") by Western States Equipment Company, an Idaho business corporation or its affiliates ("WSECO") to Customer under the terms and conditions specified herein. This offer may be accepted by (1) the execution of this SA by a representative of Customer or (2) Customer's verbal or written authorizations or conduct consistent with prior course of dealing between the parties authorizing WSECO to take action to fulfill this SA, or (3) the commencement of the manufacture or shipment of the goods specified in this SA, whichever of the foregoing first occurs.

Acceptance of this SA is limited to the express terms stated herein. Any proposal in Customer's acceptance for additional or different terms or any attempt by Customer to vary in any degree any of the terms is objected to and hereby rejected, but such proposals shall not operate as a rejection of this offer, unless such variances are in the terms of the description, quantity, price, delivery schedule, or payment schedule of the goods, but shall be deemed a material alteration of this SA and this SA shall be deemed agreed to by WSECO without said additional or different terms. Once accepted, this SA shall constitute the entire agreement between WSECO and Customer. WSECO is not bound by any representation or agreements, express, or implied, oral or otherwise, which are not stated within this SA or contained in a separate writing supplementing this SA and signed by authorized agents of both WSECO and Customer. This SA will supersede all previous communications, agreements, and contracts with respect to the subject matter hereof and no understanding, agreement, term, condition, or trade custom at variance with this SA will be binding on WSECO. No waiver or modification of the terms and conditions hereof will be effective unless in writing and signed by both Customer and WSECO.

2. PAYMENT TERMS: Customer agrees to pay the sales price for the equipment, less any net trade-in allowance, in accordance with the payment terms as all stated on the invoice. The sales price is offered F.O.B. at WSECO's designated facility as stated on the invoice and Customer is responsible for all shipping charges as provided in this SA. Customer is also responsible for paying all applicable sales, use or any other applicable taxes levied or assessed on the equipment by any federal, state or local governmental authority, unless Customer provides WSECO an appropriate exemption certificate as stated on the invoice. In the event that Customer fails to pay any applicable tax or other charge as agreed herein or fails to provide a valid exemption certificate, Customer agrees to indemnify and hold WSECO harmless from any liability and expense by reason of Customer's failure to pay said taxes or assessments, including, but not limited to, WSECO's reasonable attorney's fees and costs and other necessary legal expenses resulting from such failure.

3. GRANT OF SECURITY INTEREST, AUTHORIZATION TO FILE STATEMENT AND PROTECTION OF COLLATERAL: Until the Customer pays the total sales price and additional charges as provided in this SA, Customer hereby grants WSECO a security interest in and to the equipment and all additions, replacements, substitutions, and proceeds of the same ("Collateral") to secure payment of the sales price and any and all other amounts owed or owing by Customer to WSECO under this SA or otherwise. Customer authorizes WSECO to file financing statement(s) evidencing this security agreement and the collateral subject thereto and to take all steps necessary to perfect WSECO's interest in the equipment.

Customer agrees to execute any documents required by WSECO to evidence and perfect such security interest. Customer hereby appoints WSECO as its irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect or to continue the security interest granted in this SA. Customer will reimburse WSECO for all expenses for the perfection and the continuation of the perfection of WSECO's security interest in the Collateral. Customer promptly will notify WSECO before any changes in Customer's name including any changes to the assumed business names of Customer.

Customer, upon WSECO's request, will deliver to WSECO a schedule of the locations of the Collateral and agrees to update the list upon WSECO's further request. Customer will not commit or permit damage to or destruction of the Collateral or any material part of the Collateral. WSECO and its designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral. Customer shall immediately notify WSECO of all cases involving the loss or damage of or to any material portion of the Collateral and generally of all material happenings and events affecting the Collateral.

4. INSURANCE: Customer shall not move, load, transport or otherwise handle the equipment on WSECO's premises without first having obtained insurance coverage. Customer shall carry all risks insurance on the equipment, including, without limitation, fire, theft and liability coverage with such other insurance as necessary to protect Customer's and WSECO's respective interests in the equipment. As long as any portion of the sales price is outstanding, Customer will deliver to WSECO from time to time the policies or certificates of insurance in forms satisfactory to WSECO, showing WSECO as an additional insured and including stipulations that coverage will not be cancelled or diminished without at least fifteen (15) days prior written notice to WSECO.

5. TIME OF DELIVERY AND SHIPPING: Orders for equipment are processed in the order of their acceptance by WSECO and WSECO will use its reasonable efforts to deliver the equipment to Customer on the scheduled delivery date as stated on the invoice. However, shipping and delivery dates are acknowledged to be estimates only and dependent upon many factors outside of WSECO's control including, but not limited to, the manufacturer's production schedule, material and labor shortages, shipping delays and various other unrelated factors. WSECO is not liable for delays or damages caused by delays in delivery or shipment of the equipment, unless stated on the face of the invoice to the contrary. Customer is responsible for all freight, shipping, loading and unloading costs.

6. RISK OF LOSS/SHORTAGES/REJECTION OF GOODS: Risk of loss of the goods shall pass to Customer as soon as the goods are properly loaded on the carrier. WSECO's responsibility for shipment ceases upon delivery of the goods to a transportation company. Any claim by Customer for shortage in shipment shall be made by written notice to WSECO within fifteen (15) days after receipt of the shipment. It is specifically agreed that the risk of loss shall not be altered by the fact that the conduct of either party hereto may constitute a default or breach and shortage in shipment is not deemed to constitute a nonconformity.

All equipment or goods shall be subject to the standard manufacturing and commercial variation and practices of the manufacturer thereof. In the event of shipment of non-conforming goods, WSECO shall be given a reasonable opportunity to replace the goods with those which conform to the order. Any notices pertaining to rejection or claims of nonconformity must be made in writing specifying in detail Customer's objections and such notices must be delivered within fifteen (15) days after delivery of the goods. It is agreed that in the event of rejection, Customer will store the goods or reship the goods to WSECO. Should Customer use the equipment or goods, such use shall be deemed an unequivocal acceptance of the goods. If Customer accepts goods tendered under this SA, such acceptance shall be final and irrevocable; no attempted revocation shall have any effect whatsoever.

7. ASSIGNMENTS: No right or interest in this SA shall be assigned by Customer without the written permission of WSECO, and no delegation of any obligation owed or of the performance of any obligation by Customer shall be made without written permission of WSECO. Any attempted assignment or delegation by Customer shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

8. NO WARRANTY: Unless provided otherwise on the invoice, the equipment is purchased "AS IS" and there is no other agreement with Customer regarding the equipment other than what is stated in this SA and in any credit instrument and/or guaranty between Customer and WSECO. There are no other warranties, express or implied, for any equipment, product, service, or other items sold or furnished under this SA unless agreed to in writing between Customer and WSECO. **WSECO DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

9. EQUIPMENT FAILURE/LIMITATION OF REMEDIES: If, for any reason, the equipment does not perform satisfactorily, as judged by WSECO in its sole discretion, WSECO may repair or replace the equipment or any part thereof, at its option, without affecting any of the terms of this SA. This remedy does not apply if the equipment has failed or performs less than satisfactorily due to improper use of the equipment, accident (including, damage during shipment), neglect, abuse, misuse or exposure of the equipment to conditions beyond capacity, power, environmental design limits or operation constraints specified by WSECO or the equipment manufacturer. Customer is responsible for all expenses related to repair or replacement due to these causes. **THE REMEDIES IN THIS PARAGRAPH ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES AGAINST WSECO.**

10. LIMITATION OF LIABILITY: Notwithstanding trade customs or prior course of dealing to the contrary, in no event will WSECO, its subsidiaries, affiliates, agents or employees be liable for any incidental, indirect, special, or consequential damages in connection with or arising out of this SA or furnishing of any goods, services or other items or any third party's ownership, maintenance, or use of any goods, services or other items furnished under this SA, including, but not limited to, lost profits or revenues, loss of use of the equipment or any associated goods, damage to associated goods, costs of capital, cost of substitute goods, or claims of Customer's clients for such damages. Customer's sole remedy, for any liability of WSECO of any kind, including but not limited to negligence, with respect to any equipment, service, or other item is limited to that set forth in the paragraph entitled "EQUIPMENT FAILURE/LIMITATION OF REMEDIES" of this SA. WSECO is not responsible for meeting any federal, state, local or municipal code or specification (whether statutory, regulatory or contractual), unless Customer specifies it in writing and WSECO agrees to it in writing. Customer agrees that it has selected each item of equipment based upon its own judgment and particular needs and disclaims any reliance upon any statements or presentations made by WSECO. The liability for performing under any manufacturer warranty program rests solely with the subject manufacturer and WSECO has no liability or responsibility for performance thereunder.

11. FORCE MAJEURE: WSECO shall not be responsible or liable for any delay or failure to deliver any or all of the goods and/or performance of the services where such delay or failure is caused by any act of God, fire, flood, inclement weather, explosion, war, insurrection, riot, embargo, statute, ordinance, regulation or order of any government or agent thereof, shortage of labor, material fuel, supplies or transportation, strike or other labor dispute, or any other cause, contingency, occurrence or circumstance of any nature, whether or not similar to those herein before specified beyond WSECO's control, which prevents, hinders or interferes with manufacture, assembly or delivery of the goods or performance of the services. Any such cause, contingency, occurrence or circumstances shall release WSECO from performance of its obligations hereunder.

12. INDEMNITY: Customer agrees to indemnify and hold WSECO harmless from and against any and all claims, actions, suits, proceedings, costs, expenses, damages (including but not limited to consequential and incidental damages), liabilities, fees (including, but not limited to, attorney fees and court costs), and settlements, (including those brought or incurred by or in favor of Customer's employees, agents and subcontractors), arising out of or related to the selection, delivery, loading, unloading, towing, possession, use, operation, handling or transportation of the equipment. Customer agrees to defend, at its expense, any and all suits brought against WSECO either alone or in conjunction with others and additionally to satisfy, pay and discharge any and all judgments and fines against WSECO in any such suits or actions, whether based in negligence or otherwise.

13. DEFAULT BY CUSTOMER: An event of default shall occur if (a) Customer fails to pay when due the sales price; (b) Customer fails to perform or observe any covenant, condition, or agreement to be performed by it hereunder; (c) Customer ceases doing business as a going concern, makes an assignment for the benefit of creditors, admits in writing an inability to pay debts as they become due, files a petition in bankruptcy, or if its owners, shareholders or members of Customer take actions towards dissolution or liquidation of Customer; (d) Customer attempts to sell, transfer, or encumber, sublease or convey the equipment or any part thereof prior to paying the full sales price; or (e) WSECO, in good faith deems itself, insecure relative to payment of the sales price.

Upon the occurrence of any event of default, WSECO may exercise the following rights and remedies: (i) declare the sales price immediately due and payable; (ii) require Customer to assemble the equipment and make it available to WSECO at a place and time designated by WSECO; (iii) WSECO shall have full power to enter upon the property or jobsite of the Customer and take possession of and remove the equipment; (iv) WSECO shall have full power and authority to sell, lease, transfer or otherwise deal with the equipment or proceeds thereof, and in connection therewith WSECO may bid on the goods or equipment and that a commercially reasonable price for said reclaimed equipment may be determined by WSECO based upon current national auction values, market trends relating to supply and demand, and related factors for goods of similar type and condition; (v) if WSECO chooses to sell or lease the reclaimed equipment, WSECO may obtain a judgment against Customer for any deficiency remaining on the sales price after application of all amounts received from the exercise of its rights under this SA; and (vi) all rights and remedies of a secured creditor under the provisions of the Idaho Uniform Commercial Code, as amended from time to time. All of WSECO's rights and remedies, whether evidenced by this SA or other related agreement, shall be cumulative and may be exercised singularly or concurrently. TERMS AND CONDITIONS

1. OFFER TO SELL, METHODS OF ACCEPTANCE AND AGREEMENT TERMS: This Sales Agreement ("SA") is an offer for the sale of the equipment, vehicles, accessories and attachments described on the invoice (referred to generally as "equipment" or "goods") by Western States Equipment Company, an Idaho business corporation or its affiliates ("WSECO") to Customer under the terms and conditions specified herein. This offer may be accepted by (1) the execution of this SA by a representative of Customer or (2) Customer's verbal or written authorizations or conduct consistent with prior course of dealing between the parties authorizing WSECO to take action to fulfill this SA, or (3) the commencement of the manufacture or shipment of the goods specified in this SA, whichever of the foregoing first occurs.

Acceptance of this SA is limited to the express terms stated herein. Any proposal in Customer's acceptance for additional or different terms or any attempt by Customer to vary in any degree any of the terms is objected to and hereby rejected, but such proposals shall not operate as a rejection of this offer, unless such variances are in the terms of the description, quantity, price, delivery schedule, or payment schedule of the goods, but shall be deemed a material alteration of this SA and this SA shall be deemed agreed to by WSECO without said additional or different terms. Once accepted, this SA shall constitute the entire agreement between WSECO and Customer. WSECO is not bound by any representation or agreements, express, or implied, oral or otherwise, which are not stated within this SA or contained in a separate writing supplementing this SA and signed by authorized agents of both WSECO and Customer. This SA will supersede all previous communications, agreements, and contracts with respect to the subject matter hereof and no understanding, agreement, term, condition, or trade custom at variance with this SA will be binding on WSECO. No waiver or modification of the terms and conditions hereof will be effective unless in writing and signed by both Customer and WSECO.

2. PAYMENT TERMS: Customer agrees to pay the sales price for the equipment, less any net trade-in allowance, in accordance with the payment terms as all stated on the invoice. The sales price is offered F.O.B. at WSECO's designated facility as stated on the invoice and Customer is responsible for all shipping charges as provided in this SA. Customer is also responsible for paying all applicable sales, use or any other applicable taxes levied or assessed on the equipment by any federal, state or local governmental authority, unless Customer provides WSECO an appropriate exemption certificate as stated on the invoice. In the event that Customer fails to pay any applicable tax or other charge as agreed herein or fails to provide a valid exemption certificate, Customer agrees to indemnify and hold WSECO harmless from any liability and expense by reason of Customer's failure to pay said taxes or assessments, including, but not limited to, WSECO's reasonable attorney's fees and costs and other necessary legal expenses resulting from such failure.

3. GRANT OF SECURITY INTEREST, AUTHORIZATION TO FILE STATEMENT AND PROTECTION OF COLLATERAL: Until the Customer pays the total sales price and additional charges as provided in this SA, Customer hereby grants WSECO a security interest in and to the equipment and all additions, replacements, substitutions, and proceeds of the same ("Collateral") to secure payment of the sales price and any and all other amounts owed or owing by Customer to WSECO under this SA or otherwise. Customer authorizes WSECO to file financing statement(s) evidencing this security agreement and the collateral subject thereto and to take all steps necessary to perfect WSECO's interest in the equipment.

Customer agrees to execute any documents required by WSECO to evidence and perfect such security interest. Customer hereby appoints WSECO as its irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect or to continue the security interest granted in this SA. Customer will reimburse WSECO for all expenses for the perfection and the continuation of the perfection of WSECO's security interest in the Collateral. Customer promptly will notify WSECO before any changes in Customer's name including any changes to the assumed business names of Customer.

Customer, upon WSECO's request, will deliver to WSECO a schedule of the locations of the Collateral and agrees to update the list upon WSECO's further request. Customer will not commit or permit damage to or destruction of the Collateral or any material part of the Collateral. WSECO and its designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral. Customer shall immediately notify WSECO of all cases involving the loss or damage of or to any material portion of the Collateral and generally of all material happenings and events affecting the Collateral.

4. INSURANCE: Customer shall not move, load, transport or otherwise handle the equipment on WSECO's premises without first having obtained insurance coverage. Customer shall carry all risks insurance on the equipment, including, without limitation, fire, theft and liability coverage with such other insurance as necessary to protect Customer's and WSECO's respective interests in the equipment. As long as any portion of the sales price is outstanding, Customer will deliver to WSECO from time to time the policies or certificates of insurance in forms satisfactory to WSECO, showing WSECO as an additional insured and including stipulations that coverage will not be cancelled or diminished without at least fifteen (15) days prior written notice to WSECO.

5. TIME OF DELIVERY AND SHIPPING: Orders for equipment are processed in the order of their acceptance by WSECO and WSECO will use its reasonable efforts to deliver the equipment to Customer on the scheduled delivery date as stated on the invoice. However, shipping and delivery dates are acknowledged to be estimates only and dependent upon many factors outside of WSECO's control including, but not limited to, the manufacturer's production schedule, material and labor shortages, shipping delays and various other unrelated factors. WSECO is not liable for delays or damages caused by delays in delivery or shipment of the equipment, unless stated on the face of the invoice to the contrary. Customer is responsible for all freight, shipping, loading and unloading costs.

6. RISK OF LOSS/SHORTAGES/REJECTION OF GOODS: Risk of loss of the goods shall pass to Customer as soon as the goods are properly loaded on the carrier. WSECO's responsibility for shipment ceases upon delivery of the goods to a transportation company. Any claim by Customer for shortage in shipment shall be made by written notice to WSECO within fifteen (15) days after receipt of the shipment. It is specifically agreed that the risk of loss shall not be altered by the fact that the conduct of either party hereto may constitute a default or breach and shortage in shipment is not deemed to constitute a nonconformity.

All equipment or goods shall be subject to the standard manufacturing and commercial variation and practices of the manufacturer thereof. In the event of shipment of non-conforming goods, WSECO shall be given a reasonable opportunity to replace the goods with those which conform to the order. Any notices pertaining to rejection or claims of nonconformity must be made in writing specifying in detail Customer's objections and such notices must be delivered within fifteen (15) days after delivery of the goods. It is agreed that in the event of rejection, Customer will store the goods or reship the goods to WSECO. Should Customer use the equipment or goods, such use shall be deemed an unequivocal acceptance of the goods. If Customer accepts goods tendered under this SA, such acceptance shall be final and irrevocable; no attempted revocation shall have any effect whatsoever.

7. ASSIGNMENTS: No right or interest in this SA shall be assigned by Customer without the written permission of WSECO, and no delegation of any obligation owed or of the performance of any obligation by Customer shall be made without written permission of WSECO. Any attempted assignment or delegation by Customer shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

8. NO WARRANTY: Unless provided otherwise on the invoice, the equipment is purchased "AS IS" and there is no other agreement with Customer regarding the equipment other than what is stated in this SA and in any credit instrument and/or guaranty between Customer and WSECO. There are no other warranties, express or implied, for any equipment, product, service, or other items sold or furnished under this SA unless agreed to in writing between Customer and WSECO. **WSECO DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

9. EQUIPMENT FAILURE/LIMITATION OF REMEDIES: If, for any reason, the equipment does not perform satisfactorily, as judged by WSECO in its sole discretion, WSECO may repair or replace the equipment or any part thereof, at its option, without affecting any of the terms of this SA. This remedy does not apply if the equipment has failed or performs less than satisfactorily due to improper use of the equipment, accident (including, damage during shipment), neglect, abuse, misuse or exposure of the equipment to conditions beyond capacity, power, environmental design limits or operation constraints specified by WSECO or the equipment manufacturer. Customer is responsible for all expenses related to repair or replacement due to these causes. **THE REMEDIES IN THIS PARAGRAPH ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES AGAINST WSECO.**

10. LIMITATION OF LIABILITY: Notwithstanding trade customs or prior course of dealing to the contrary, in no event will WSECO, its subsidiaries, affiliates, agents or employees be liable for any incidental, indirect, special, or consequential damages in connection with or arising out of this SA or furnishing of any goods, services or other items or any third party's ownership, maintenance, or use of any goods, services or other items furnished under this SA, including, but not limited to, lost profits or revenues, loss of use of the equipment or any associated goods, damage to associated goods, costs of capital, cost of substitute goods, or claims of Customer's clients for such damages. Customer's sole remedy, for any liability of WSECO of any kind, including but not limited to negligence, with respect to any equipment, service, or other item is limited to that set forth in the paragraph entitled "EQUIPMENT FAILURE/LIMITATION OF REMEDIES" of this SA. WSECO is not responsible for meeting any federal, state, local or municipal code or specification (whether statutory, regulatory or contractual), unless Customer specifies it in writing and WSECO agrees to it in writing. Customer agrees that it has selected each item of equipment based upon its own judgment and particular needs and disclaims any reliance upon any statements or presentations made by WSECO. The liability for performing under any manufacturer warranty program rests solely with the subject manufacturer and WSECO has no liability or responsibility for performance thereunder.

11. FORCE MAJEURE: WSECO shall not be responsible or liable for any delay or failure to deliver any or all of the goods and/or performance of the services where such delay or failure is caused by any act of God, fire, flood, inclement weather, explosion, war, insurrection, riot, embargo, statute, ordinance, regulation or order of any government or agent thereof, shortage of labor, material fuel, supplies or transportation, strike or other labor dispute, or any other cause, contingency, occurrence or circumstance of any nature, whether or not similar to those herein before specified beyond WSECO's control, which prevents, hinders or interferes with manufacture, assembly or delivery of the goods or performance of the services. Any such cause, contingency, occurrence or circumstances shall release WSECO from performance of its obligations hereunder.

12. INDEMNITY: Customer agrees to indemnify and hold WSECO harmless from and against any and all claims, actions, suits, proceedings, costs, expenses, damages (including but not limited to consequential and incidental damages), liabilities, fees (including, but not limited to, attorney fees and court costs), and settlements, (including those brought or incurred by or in favor of Customer's employees, agents and subcontractors), arising out of or related to the selection, delivery, loading, unloading, towing, possession, use, operation, handling or transportation of the equipment. Scheduled Hours (denominator)

The machine availability will be evaluated at 12-month intervals. If machine availability is below 95%, Western States Equipment will reimburse owner \$25.00 per hour for the

hours necessary to "enhance" availability to the 95% level.

Note: "Power Train", "Power Train Plus Hydraulics", and "Full Machine" coverage continue (unless transferred or terminated as per Section C or G below) until the expiration of the hours or months listed on the face of this document. The coverage period ends after reaching the specified number of months selected, or when the machine's hour meter reaches the specified number of hours limitation selected, whichever occurs first. Extended Coverage is available only through Western States Equipment for Caterpillar Equipment.

Note: Once Extended Coverage becomes effective, Western States Equipment's obligations there under extend only to the applicant identified on the face of this document, unless the remaining coverage is transferred to a subsequent end use purchaser of the product in accordance with Section F below, and indicated on the face of this document, or cancelled under Section G below.

Fwd: Question about "cottage" type development in Idaho City

Subject: Question about "cottage" type development in Idaho City
To: idahocityclerk@cityofic.org <idahocityclerk@cityofic.org>
Cc: Tanya Elder [REDACTED]

Hello Nancy,

I'm currently working with a client that is interested in developing a property to be very similar to the Smoke Jumper development that currently exists in Idaho City.

He's looking to place 9-10 "units" on site, located around a central common area with fire pit, seating area, outdoor games like cornhole, etc. He keeps calling his proposal a "Cottage Court." I'm not sure if his intent is to rent the units out like Airbnb, or rent them to long term tenants, but each unit is anticipated to be approximately 400-600 sf (larger than the Smoke Jumper "tiny homes").

The lot he is currently looking at is immediately adjacent to Trudy's Kitchen, addressed as 3878 Hwy 21. Currently the lot has 6 RV spaces and a cabin (with utility hookups).

I'm trying to do some initial research into whether or not this development idea is feasible, allowed by Zoning Code, and what the process is to get permits.

It appears that the site is zoned as Commercial, as is the Smoke Jumper development.

1. Would this kind of development be a "hotel/motel" permitted in the Commercial Zone?
2. Would it be multi-family residential permitted in the Commercial Zone?
3. Would each unit be considered a Dwelling Unit? (with a minimum 5,000 sf being needed per unit)? The units would be stick-built on site, not manufactured and brought to site.

I don't see any clear "development standards" for a cluster of housing units or rental units in the Zoning Code, and I'm wondering if it must go through the Planning & Zoning Commission or if it would be permitted outright, without any conditional permits or considerations?

I realize you personally may not have the answers, but perhaps you know who does? If you could help me get in touch with the correct person, I'd greatly appreciate it.

Also, is there a way I can get my hands on the Official Zoning Map for Idaho City? I wasn't able to find one online anywhere.

Thank you so much for any assistance and guidance you can provide.

the 1990s, the number of people with hearing impairment has increased significantly, and this is expected to continue (Griffin et al. 2001).

There are a number of reasons why the number of people with hearing impairment is increasing. One of the main reasons is the increase in the number of people who are exposed to high levels of noise in their work or leisure activities. This is particularly true for people who work in noisy environments, such as construction sites, manufacturing plants, and airports. It is also true for people who spend a lot of time listening to music at high volumes, or who use power tools in their leisure activities.

Another reason why the number of people with hearing impairment is increasing is the increase in the number of people who are exposed to high levels of noise in their homes. This is particularly true for people who live in noisy areas, such as near airports, roads, and railways. It is also true for people who live in homes with noisy appliances, such as washing machines, dryers, and vacuum cleaners. The increase in the number of people with hearing impairment is also due to the increase in the number of people who are exposed to high levels of noise in their leisure activities, such as listening to music at high volumes, or using power tools in their leisure activities.

The increase in the number of people with hearing impairment is a major public health problem. It is important to take steps to reduce the number of people who are exposed to high levels of noise, and to provide support for people who are already affected by hearing impairment. This includes providing hearing aids, and providing support for people who are deaf or hard of hearing.

There are a number of things that can be done to reduce the number of people who are exposed to high levels of noise. This includes wearing earplugs or earmuffs in noisy environments, and using noise-reducing measures in homes and workplaces. It also includes taking steps to reduce the noise from power tools and other noisy appliances.

It is also important to provide support for people who are already affected by hearing impairment. This includes providing hearing aids, and providing support for people who are deaf or hard of hearing. It is also important to provide support for people who are affected by noise-induced hearing loss, such as providing counselling and support groups.
