## IX. EMPLOYEE UPDATES

### A. PUBLIC WORKS-

Public Works Director Tami Franklin reported she received 2 quotes from local mechanics for the Public Works Ford; Steve Coleman and Dave Selene. Steve's is \$1375 all parts and labor; Dave's is \$2485. Tami will call Steve and work out with him to get the truck fixed. The recent diving bill for the water tank inspections was \$2000 higher because they patched the inside of tank. Public works is still replacing meters.

### B. LAW ENFORCEMENT-

Chief Otter tore his Achilles tendon and is out of service for now, he will possibly be back by next Tuesday.

### C. CLERK/TREASURER'S OFFICE –

Clerk Ptak reported Susan Kelly would like the water turned off at the Hill Road property and have a vacancy rate. Difference is \$97.01 for base rate and \$16 for vacancy rate. Meter would be pulled from property. Council agreed to pull the meter. Secor stated the dwelling needs to be destroyed as it is an eye sore. Attorney Linville has already sent her a letter. Code Enforcement needs to get involved.

Idaho City has been approved for an \$8500 grant for the Skate Park. Community Justice will be spearheading the project and will be ran through the city.

The restroom grant is getting worked on by Nancy Holbert and Roger Lewis. This grant if granted will also run through the city

By July 24 City should hear back on the Law Enforcement salary relief from the State. Clerk Ptak sent in her request of an estimated \$89,000. Idaho City will not see that full amount from state. Idaho City has a \$16,000 grant earmarked for items relating to COVID-19 and state is estimating at least double that for the law enforcement salary relief. Mayor Canody stated several cities are filing a lawsuit and it may or may not affect this. Clerk Ptak stated the \$16,000 grant can be used for technology upgrades because of COVID-19. She has looked into an upgrade to the fiber optic to increase the internet speed at City Hall and found it would cost \$500 a month just for City Hall. Clerk will research prices and other options. Grant funds needs to be used by December.

Hi Nancy - I talked with Kristina and we are going to evaluate the possibility for a block grant in November. She and Ed are working on more information for the city, and then we will investigate

if you decide to submit a parks grant for the restroom in September with RIVDA that is not a conflict for funding. Those funds come from two different allocations.
