The rodeo grounds are ready. Will check with board to see if they need any help from P&R at the rodeo. Woody will be present and help as needed.

4) Forest Service Lease for Future Development

7:08 P.M.

The latest update from the Forest Service is that they most likely won't work on our lease proposal until spring of 2027. We will continue to talk with them and see if we can move this schedule up.

5) BLM Lease Update

7:13 P.M.

No updates on the lease. Still waiting for TJ Meeks from the BLM, to get back to us. We would like to do some groundskeeping around the amphitheater. We will schedule a day and time and post it in case any public volunteers would like to help.

6) Baseball Field Update

7:16 P.M.

Needs new backstop, either net or chain link, would like to put up a new fence all the way around the field. Working on ideas to fundraise. Need to put gate up at entrance to field before winter. Youth soccer to use field this fall as well as one little league team that has four home games. Woody and Nathan will keep field mowed and in playing condition. Some dry spots because of low well water and a leak in the main feed line. Will work to fix.

7) Restrooms

Bathrooms at the rodeo grounds and skate park need to be open through summer and fall. Would the city like P&R to be in charge of these? Are the leaks fixed at the rodeo ground bathrooms and are they opened back up?

8) Rodeo Grounds Events

When a group reserves the rodeo grounds or amphitheater, we would like someone from P&R to do a walkthrough before the event and one after the event just to make sure things are ready to go before and that nothing is broken or missing after the event is over. Work with Caleb on this.
