B. BUDGET HEARING

Secor made the motion to open the budget hearing, seconded by Martin. 3 ayes

The public was asked if there were any questions or comments; there were none.

Secor made the comment on how this year's budget was much easier to do and smoother than in the past.

He asked Clerk Ling if there was anything they could do to keep it as easy as it was. She explained that this year's budget was kept up to date monthly and quarterly and allowed for the city to see where and what the money was spent on. Keeping more up to date reports and bill paying is definitely the key. Starting the budget planning process and workshops earlier would be the next step for the next budget cycle. There was a lot to do to amend this year's 16-17 budget, but again the numbers helped transfer over to the 17-18 year budget with more accurate numbers for each fund. She has worked with the county to get a better understanding on their process also. Council thanked her.

Secor made the motion to close the budget hearing, Martin seconded. 3 ayes
