Hearing procedures call for presentation by the applicant, submission of information from City staff, followed by public testimony. **ACTION ITEM**

III. ENGINEER'S REPORT

Mountain Waterworks gave an update on the Reverse Osmosis (RO) System. It has been running a few hours and has had quite a bit of sand, starting to clear up a little bit. Still planning on pumping it out and hopefully it will clear up. Extra filters have been ordered through Tonka, pumping the wells will continue. It will be monitored. They also will be sending over a task order with some misc. and out of scope items that will need to be approved and aware of before getting to far into the project since we are close to the end of funds.

IV. OLD BUSINESS

1. PERSONNEL POLICY UPDATES

Still working on this.

V. NEW BUSINESS

1. WATER LEAK FORGIVENESS PLOICY

Council will come up with some ideas to present to Clerk Ptak and then have the city attorney look it over. Everhart had some ideas based on how they deal with them at Wilderness Ranch, Tami with public works agrees something needs to happen with the notification process. Homeowners should not be turning on and off their meter, trying to prevent damage to the meters.

Council would like to look at different billing types such as tiered.

VI. ORDINANCES AND RESOLUTIONS

Ordinances and resolutions are formal measures considered by the City Council to implement policy which the Council has considered. Resolutions govern internal matters to establish fees and charges pursuant to existing ordinances. Ordinances are laws which govern

general public conduct. Certain procedures must be followed in the adoption of both ordinances and resolutions; state law often establishes those requirements. **ACTION ITEM**

1. SHORT-TERM RECREATIONAL VEHICLE USE ORDINANCE NO. 366

I. NEW BUSINESS

1. IDAHO CITY EVENT CHECKLIST – CHRISTMAS TREE LIGHTING- SARAH NELSON *Action Item*

Hillyard made a motion to approve the Idaho City Event Checklist for the Christmas Tree Lighting presented by Sarah Nelson, seconded by Martin. 3 Ayes.

The council wanted to thank her for providing the checklist so quickly. She was unaware it was needed after talking with Doug Pottinger. Council explained that this is a city property, and it is considered an event when advertised. Mr. Pottinger does not have the authority over the city to approve these types of events.

The city also received a note from Ida, from the visitor's center, who also got permission from Mr. Pottinger regarding parking a tractor on the city park lawn in front of his store. She apologized and realized in retrospect she probably should have talked with the city, not Mr. Pottinger. She will have it removed after the first of the year if the city is agreeable. It has been decorated for Christmas. That was acceptable to the city.

The council once again would like to revisit the agreement with Season's Restaurant regarding the city owned parking lot behind the visitor's center.

NOTICE OF PUBLIC HEARING AND INTENT TO RESERVE \$1,021 OF FORGONE AMOUNT – IDAHO CITY

A public hearing notice is hereby given that the city council of Idaho city, Idaho will hold their public hearing on December 22, 2021, at city hall at 6pm, in consideration of the adoption of a resolution to reserve \$1,021 of forgone amount, for use in the FY2022 budget, at which time any taxpayer may appear and be heard upon any part of said resolution.

Published in the *Idaho World* December 18, 2021.

IDAHO CITY, CITY LIMITS MAILBOX POLICY

The City does NOT allow NEW mailboxes to be installed within City maintained public rights-of way (ROW), because it is impractical for property owners to keep mailboxes clear of snow during the winter plow season when City plow operations are occurring 24/7. Mailboxes inevitably get damaged by snow plowing activities (either by the City or private contractors). These issues result in the USPS being unable to deliver mail in a timely, consistent manner.

Exceptions:

1. If a property owner/mail customer can install the mailbox in:
 - a. an area inside the owner's property (not in the City ROW) without obstructing any City ROW, easements or maintenance activities, and
 - b. does not require the delivery vehicle to access the mailbox via the roadside of a City Street, and
 - c. gets approval from the USPS IDAHO CITY Postmaster confirming that they will deliver to this mailbox located on private property, then that is acceptable.

(Example: condominium HOA installs a group mailbox within the complex's parking lot or private driveway)
2. Existing mailboxes located and accessed by USPS delivery vehicles on City streets and ROWs are allowed, provided they do not create a snow plowing or safety issue. If the location of an existing mailbox is deemed to be a safety issue or creates an undue burden on the City's snow plowing activities, that existing mailbox may be required to be removed from the City's ROW.
3. A new mailbox that is proposed to be co-located on an already existing mailbox post that is recognized by the Public Works Department.
4. Requests for mailboxes to be located on Private streets or public streets that are outside the City limits need to be approved by the HOA or other entity (i.e., Boise County) that has management control over the street in addition to the USPS IDAHO CITY Postmaster.

Any citizen who would like to inquire about an existing mailbox located on City streets/ROWs within Idaho City City limits is encouraged to contact:

Project Progress Report November 2021

Idaho City

2020 WINN Grant Funded Water improvements Project Small and Disadvantaged Communities Grant Project No. 234.0030

GENERAL

The following work was performed in November 2021:

- **Construction:**
 - The City continued to develop the well to reduce sand production with assistance from Mountain Waterworks. Sand production has declined to about 0.5 parts per million, which is a significant improvement from the production at startup. This equates to about 8 tablespoons of sand over an 8-hour pumping period.
 - It is possible that a majority of the sand production is occurring in the period immediately following pump startup. City staff is conducting tests during the second week of December to confirm the production rate at 5-minute intervals over the first hour of pumping. Programming modifications to allow initial pump to waste will be considered based on this data. In addition, regular draining of the pre-filter cartridge housing may minimize the impact of sand production on pre-filter cartridge life.
 - New pre-filter cartridges have been ordered through Kurita America and should arrive mid-December. Full startup will be rescheduled after the pre-filter cartridges are delivered to the city.
 - Mountain Waterworks has begun development of the modifications to the City's Drinking Water System Operation and Maintenance Manual to cover operation of the new source of supply.
- **Schedule:**
 - Startup will be confirmed with Kurita following delivery of the pre-filter cartridges.

DISADVANTAGED BUSINESS ENTERPRISE (DBE)

In accordance with the subaward agreement, Section VII. b. Reporting Requirements, an annual disadvantaged business enterprises (DBE) report shall be submitted to IDEQ for review. To date, neither minority owned enterprise (MBE) and/or woman owned enterprise (WBE) has provided services on these water improvements projects.

PROJECT BUDGET

In accordance with the subaward agreement, Section V. Project Budget, a not to exceed budget of \$300,000 is established for the water improvements projects. The attached Engineering Budget Summary details the total engineering budget, total forecast, billed to date, remaining budget, and percent completed.

OUT OF SCOPE WORK

Mountain Waterworks has incurred additional time associated with the unforeseen conditions related to the well sand production problem, including onsite well development time, data collection, development of sand treatment alternatives, and obtaining vendor pricing and data for sand treatment equipment. While we have not included this work on this invoice for reimbursement, we anticipate this work may be included under a separate task order in the future.

Engineering Contract Scope Amendment:

- Mountain Waterworks has included a task order covering the additional work related to well development and sand production for City review.

PAYMENT AND REIMBURSEMENT SUMMARY

In accordance with the subaward agreement, Section VI. Billing Procedures, source documentation and payment request are attached using the Outlay Reimbursement Form. This reimbursement request consists of one invoice from Mountain Waterworks, Inc.

102 Cottonwood - Special Accommodation Water Request

tim.hurlbut@gmail.com [REDACTED] >

Hey Nancy,

Thanks so much for taking my call earlier today.

So per our conversation – Yes – I’m making a formal request please for a special accommodation/vacancy rate on our water bill.

As you know there is zero water usage at the property and I’ll put the timeline here of our basic thought process.

The main building won’t need water until probably around March, and the tiny homes won’t need water until around June 1st.

So our water needs are completely minimal until June and if we did put water in the main house by March that would also be of absolute minimal usage.

Anything the city council is willing to do on this matter would be of great service to us as we haven’t used any water since September or whenever it is that you shut it off but we’ve been paying as though we are for multiple meters.

Sincerely and graciously appreciate any help.

Tim Hurlbut and Lynn Wong

Amended RESOLUTION NO. 2021-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IDAHO CITY, IDAHO, RESERVING THE FORGONE AMOUNT FOR FISCAL YEAR 2021 FOR POTENTIAL USE IN SUBSEQUENT YEARS AS DESCRIBED IN IDAHO CODE §63-802, et al.

WHEREAS, Idaho Code §50-235 empowers the city council of each city to levy taxes for general revenue purposes; and,

WHEREAS, Idaho Code §50-1002 requires the city council of each city in the State of Idaho to pass a budget, referred to as an annual appropriation ordinance; and,

WHEREAS, Idaho Code §63-802 sets limitations on all taxing district budget requests on the amount of property tax revenues that can be used to fund programs and services; and,

WHEREAS, Idaho Code §63-802(1)(a) allows each taxing entity to increase property tax budget amounts by a maximum of 3%, plus an amount calculated based on the value of both new construction and annexation added during the previous calendar year, plus an amount for forgone taxes; and,

WHEREAS, Idaho Code §63-802(1)(f) requires that the City adopt an annual resolution to reserve additional forgone amount in order to utilize that amount in subsequent years; and,

WHEREAS, the City has met the notice and hearing requirements in Idaho Code §63-802(1)(f) to reserve the current year's increase in the forgone amount; and,

WHEREAS, the City intends to reserve \$1,021 of its current year's increase in allowable forgone amount.

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF IDAHO CITY, IDAHO, that \$1,021 of the current year's allowable increase in its forgone amount is reserved and included in the City's total forgone balance for potential use in subsequent years.

PASSED by the IDAHO CITY CITY COUNCIL on the 22nd day of December 2021.
