Idaho City Historic Preservation Commission  
Thursday, January 6, 2022, 2:00pm  
Upstairs, City Hall, Idaho City  
Special Meeting

- I. Roll Call
  - a. Jameson, Knowles, McClain, Emery
- II. Appreciation/Request (Action Item)
  - a. Consideration of an emergency request by property owner Theresa Meyers to cut down cottonwood tree on Main St. next to the Idaho City Trading Post, Daycare, apartments, and Miss Carolyn's, for safety. No application for a certificate was submitted, just a written request, but this photo was taken to demonstrate the safety issue
  - b. Discussion – Liability to the City if we denied it was considered a “no-brainer” though all commissioners were sick about it having to be cut down.
  - c. Unanimously approved, as requested. No application was written.
